THE FUN WHIRLWIND. Of all the theatrical attractions To-ronto has had in a decade, there has been no better funmaker than 'A Pair of Sixes," now being presented at the Alexandra Tneatre. This farce is be-ing presented by the original company which made such a pronounced suc-cess of it at the Longacre Theatre in New York. The company, which is made up of a number of weil-known farceurs, includes: Raiph Herz, Mark Smith, Eth.J Jackson, Ione Bright, Ma-tion Bahou, Richle Ling, Stanhope Wheateroft, jr., Robert Smiley and Mary Harper. The attendance has been very large and the indications are that it will be almost impossible to secure seats in the Alexandra The-

are that it will be almost impossibl to secure seats in the Alexandra. The atre today and Saturday. THE QUAKER GIRL.

The attraction at the Princess The-atre for next week will be a return engagement of the popular English musical comedy success, "The Quaker Girl," which will be presented here again by John P. Slocum, with the same big cast and chorus that made such a hit here last season. The en-gagement here is for one week, com-mencing next Monday, with matinees Wednesday and Saturday. Seats for the entire engagement are now on sale at the Princess box office.

"THE OLDEN AGE."

"THE OLDEN AGE." The brand new and original comic opera, "The Golden Age," by the well-known Canadian composer. Joseph Nevin Doyle, which is said to differ from the ordinary brand, in that it has a piquantly satirical plot, will be pre-duced at the Alexandra Theatre, week of Feb. 8. The music is said to be of uncommon brilliance, and the book constructed with experienced crafts-manship. Ias production is timely at present. It will be an entirely made-in-Canada production, costumes, scen-ery and equipments. Mr. Doyle, the composer, is a native of Belleville. Ontario, and has been for many years associated with theatrical enterprises in New York, notably with the Daly Theatre and Henry W. Savage pro-ductions. The production will be in the hands of the Daughters of the Empire, 3000 age of Her Royal Highness the Duch-ess of Connaught, who in all proba-bility will attend one of the perform-and Mrs. Hendrie, Mrs. A. Gooderham and other well-known society leaders. The proceeds will go to the relief of the poor of Toronto.

The proceeds will go the poor of Toronto. "THE BIRD OF PARADISE"

"The Bird of Faradise," which will play a return engagement of one week at the Alexandra Theatre soon, is a story of the land where Robert Louis Stevenson found "life most pleasant and man interesting," the land "In which it seems always afternoon," where slender maldens with black hair and crimson lips dance in ways strange to European eyes. Oliver Mor-osco, producer of this more than suc-cessful play, will offer as leading lady Miss Lenore Ulrich, who will play Luana.

Luana.

A: also to the reception the same evening by H.R.H. the Duchess of Connaught for the wives and daugners of those who are invited to the state dinner. The gentleman usher of the Black Rod has issued invitations to the open-ing of paritament on Thursday, Feb. 4, by H.R.H. the Duke of Connaught. Mrs. Arthurs' extravaganza last night at Massey Hall for the Red Cross So-clety was without question the very best amateur production ever produced on that stage, and what Mr. Stanley Adams and Miss Sternberg have done with children is beyond praise. As for the audience in Massey Hall the social editor would require a whole page of The World to record their names, commencing with His Honor, the Lieutenant-Governor, Mrs. dendrie, Miss Hendrie, Major and Srs. Clyde Caldwell and Miss Beryl Wood (Hamilton), who is Miss Hendrie's guest, and the second gallery, chiefly occupied by men of the second contingent, in uniform. All the prettiest and best known igits in town, in Red Cross uniform, sold the beautinuity illustrated programe in ald of the good cause. The performance takes place again tonisht. akes place again tonight. Mrs. John Nicholson, Westmon visiting Mrs. Pope, Bedford road, Mrs. James Crowther, Cobourg, town for a few days. Mrs. Dignam gave a small tea yester-day afternoon at the Ladies' Club for her niece, Miss Beatrice Nasmyth, who is on her way home to Vancouver after an absence of five months abroad. Mrs. Barnard Clay, 62 West Bloor street, has left for England to visit her husband, who is with the 4th Hussars. she will return to Toronto by March 1.

The marriage was celebrated very quietly in Christ Church Cathedral, Montreal, on Wednesday afternoon of Emily Lillite, daughter of the late Mrs. J. Benton, to Mr. Arthur G. Penny, as-sistant advertising agent of the Cana-dian Northern Rallway. The ceremony was performed by Rav. Herbert Symonds, D.D., vicar of the cathedral. The bride was accompanied by Miss Edith Gallagher, Perth, Ont., and the best man was Mr. E G. T. Penny, brother of the groom. Mune, Craft of the Royal Opera House, Munich, was in the city and was in excellent voice at the rehearsel to-day, but whether owing to the British climate, she having first come from Cali-fornie, or to the fact that her numbers on the program amounted to the un-lucky thirteen her voice entirely failed her towards evening, and she was un-able to appear Bruce Carey, director of the choir, was fortunate in such short motice to be able to secure Mrs. Leonora James Kennedy, well known as the somano soloist of St. Andrew's Church, Teronto, and Mrs. Elizabeth Campbell, elso of Toronto. whose fine contraito formerly of Trafalgar, Ont.

James Kennedy, well known as the soprano soloist of St. Andrew's Church. Toronto, and Mrs. Elizabeth Campbell, else of Toronto, whose fine contraito voice has been a feature of the New Yoork Century Opera. Company. Mrs. Campbell has been at home for a short time, and thus was able to respond to the sudden summons. With these reinforcements the splendid and fishionable audience lost nothing in en-joyment, tho general regret was felt at Ame. Craft's absence. The Elgar Choir has reached the stage of having a reputation to maintain, and weny year the task of the conductor thus becomes a more difficult one. The high statidard set in the last year or two by Mr. Carey, the excellent results attained by the choir in control, in finish of tome, in delicacy of treatment and in artistic interpretation, are gradually bringing the choir into comparison and rivairy with some of the larger organizations. The Hamimiton aingers have sittle to fear in this respect. Even tho the present year is an off year, and the ebsence of an orchestra left the choir standing solely on its own merifs, this severe test left its reputation unimpaired. A.E.S.S.
