hold, however, and before the day was over values in general showed small declines form the quotations at the close yesterday.

Hollinger was the leader in the downward movement, these shares being under special pressure, due no doubt to profit-taking. There is a goodly number of holdings which must show their owners large profits at present prices, and the stock seems hard to hold in the face of the apathetic demand. The price to-day got down to \$13.50, a drop of 50 points from yesterday, but part of this was recovered late in the day.

The cheaper issues started off well, but sagged off in common with the leader. Vipond was a weak spot, the shares dropping three points, at 62.

Taking Core Drills Into the Gold Camp

Eight Complete Outfits Go Into Porcupine-Will Do Custom Work,

PORCUPINE CITY, June 30.—(From Our Man Up North.)—Announcement is made to-day that Smith and Travers Bayond all question of doubt, as men who have had experience in South African and western gold fields are in charge of many of the local prospective mines, great depth is one of the main things to be played for at once.

Gold on the surface by the surface by the main things to be played for at once.

Gold on the surface has pleased the fancy and tickled the thirst for more values, but depth is the only route thru R which the values can be had.
"I am here," says Mr. Smith, head of the firm, "for a vacation and to see Porcupine for the first time. We had done work in here for more than a year when we sent in a drill for M. J. O'Brien. We also did the drilling at

ELDORADO PORCUPINE

In our opinion ELDORADO offers the best opportunity for making money. It has the lowest capitalization, half a million dollars, of all the Porcupines, and is the strongest on the exchanges.

Mr. Harry Bush, M.E., is at present on their properties and will soon be back with a report on the strikes which were recently made. At 181/2 cents to 25 cents per share this stock is a bangain.
