YORK COUNTY

TORONTO RATE WILL STAY AT THE 20 MILLS

That is Unless It Comes Down to 18—Electric Light Tenders All Thrown Out.

NORTH TORONTO, Aug. 4.—(Special.)—If the city council and the board of control of North Toronto make up their minds as to the final disposition of the annexation matter, they will find all the big outstanding questions settled and that probably the electrical question has not been settled long before this, but the rates have decreased still further, but not for long.

To-night's meeting was called to discuss two or three outstanding matters one of which was the electrical lighting, the other was the hydro-electric power. The meeting was held at the Toronto Electric Light Company, represented by Mr. Kemble, an electrician by Mr. Richardson, who is the latter company's representative in the matter of the hydro-electric power. In short, throughout the whole negotiations, the latter company have, in the mind of some of the committee, appeared somewhat indifferent as to the outcome of the matter.

Chairman Reid, of the fire and light, presided over the deliberations of this committee, and after the T. E. L. and the hydro-electric had aired their grievances, which were with respect to the form of tender and the charge that the hydro had been unfairly favored, it was decided to throw the whole thing overboard, draw up new tenders and start from the ground up.

The situation in a nutshell is as follows: When the tenders were opened for the electric lighting to-night, the T. E. L. the hydro-electric and the interurban all gave bulk tenders for power, but the Toronto hydro-electric put in an alternative tender, which was in effect that North Toronto should have the same rates as the citizens of Toronto, provided that the Toronto hydro-electric was given their privilege of collecting directly with the people, and collecting the money.

It was moved by Councillor Lawrence to-night that the hydro-electric be given the Toronto Electric Light and the interurban, and this was carried unanimously. And so the matter stands, and with the exception of the original tenders for power, the bulk tenders remain unchanged. The three companies, the T. E. L., the hydro-electric and the interurban, are all in a state of confusion, and it is not until they have decided upon a new tender, that they will be able to start from the ground up.

On Saturday evening next, the three companies will submit new tenders, and they will have to file their answers by Saturday evening next.

arrangements were in charge of the pastor, Rev. W. F. Riddhouse, assisted by a number of workers.

While working at Brown's brickyard, where he was employed last night, John Earl fell from the top of a high kiln, breaking his right collarbone. He received in addition several bruises and a severe shaking up, and is at present confined to his home, 1853 St. Clair-ave.

On account of the Dominion Carriage Company holding their annual picnic to-morrow, only one game will be played in the West Toronto Baseball League at North-ave. squares. That will be between the Davenport Stars and the Claremonts, the two league leaders, and should be one of the best games of the season. The Claremonts are now one game behind Davenport Stars, and have to win this game to stay in the running. The game will be called at 2:30 sharp.

STOUFFVILLE.

Items of Interest From the Capital Town of Whitelock.

STOUFFVILLE, Aug. 4.—(Special.)—The Stouffville Women's Institute will hold a picnic at Musselman's Lake on Wednesday, Aug. 16. All members are invited to attend. The picnic is being held to raise money for the institute. The picnic will be held at 1 o'clock on the day of the picnic.

The Altona Branch will hold their monthly meeting at the village hall Tuesday, Aug. 8, at 2:30.

H. L. Vanzant, who recently underwent an operation in Toronto for appendicitis, is making a fair recovery. Chas. W. Petch, the evangelist, will speak at the Church of Christ on Sunday, Aug. 6, at 11 a.m. and 8 p.m.

Mr. and Mrs. F. Lorne Burton and Master Reggie left to-day for a visit to Kingston.

CONCORD.

Aaron Oster, lot 7, in the third concession of Vaughan Township, raised a fine barn yesterday afternoon. Mr. Oster is one of Vaughan's enterprising farmers, who keeps well to the front in all that pertains to good agriculture. Everything went off without a hitch.

RICHMOND HILL.

Short happy news of what's going on in the village.

RICHMOND HILL, Aug. 4.—(Special.)—It took two well filled Metropolitan cars to convey the picnicers made up of the combined Presbyterian and Methodist Churches on Tuesday. They went to Lake Wilcox, but the long walk from the car line to the picnic grounds did not ename the elderly folk.

On Wednesday the Richmond Hill Hook and Ladder Company go to Brampton, where the Volunteer Firemen's Association are holding their annual picnic.

Rev. John Gibson is at Stony Point on a two weeks' vacation.

Wednesday will be civic holiday in the village.

On Sunday morning Rev. P. F. Sinclair, M.A., of North Broadview Church, will occupy the pulpit of the Presbyterian Church, exchanging with Rev. Mr. Currie.

WHITEVALE.

A. E. Major Beats All Records for Early Harvesting.

WHITEVALE, Aug. 4.—(Special.)—One of the earliest men to finish harvesting in the township is A. E. Major, to the east of the village. Not only is Mr. Major said to have completed harvesting, but he has also finished harvesting a large number of acres of wheat. He is leaving a balance of \$4000 to pay on the \$10,000 coming due August 1, 1912. Consequently in the mind of Mr. Reid all that was needed was a loan of \$6000 for the balance of the year's taxes were due. Anybody would loan that, for taxes like that were sure.

But the solicitor was inflexible, claiming that it would be unconstitutional and what's the use of paying a solicitor and not taking his advice. So D. D. and the 18 mill rate went by the board.

But while council practically settled on 20 mills the bylaw was not ready and so it happened that the chairman of the fire and light had other chance and declares that he will have a solicitor at the next meeting to back up his claim for an 18 mill rate.

Mayor Brown and the council were given a rude jolt when Reeve Bob Bull of Weston, who is the chairman of the Good Roads Commission, sent a letter offering to hire the road roller at \$2.50 a day.

"Twenty-five a day," said Chairman Frank Howe of the roads and bridges, "Why you have to give it a preposterous. It's worth \$5 anyway, and more."

Councillor Muston told and Lawrence stood out for more money, say \$7.50 a day, but later \$6 was fixed upon as a happy medium. The roller cost \$3000, and it is not likely that they would have let it go at all only English-James will keep a watchful eye on it and not allow it to be used for excursion trips out into the country.

PICKERING VILLAGE.

What's Going on Down Around the Hub of the Township, Anyway?

PICKERING VILLAGE, Aug. 4.—(Special.)—William Cullis, a well-known farmer living a short distance from the village, has finished harvesting. This is about the earliest on record.

The next regular meeting of the Ladies' Aid Society will be held at the home of Mrs. Nelson Chapman on Tuesday afternoon, Aug. 8, at eight o'clock.

On Friday evening, Aug. 11, at eight o'clock, in the Friends' Church, Rev. Bunt of Victoria College will speak on "A Trip thru Canada with the Bible Society."

John B. Canavan of Toronto was fined \$25 by Police Magistrate Jephson in connection with the automobile case. The latter will appeal the case. Rust has affected many of the fields of late oats and light crops are reported.

Monday next will be observed as a village holiday here.

On Monday afternoon the Whitby buckle factory baseball team and also a team from Oshawa will play the Pickering school team.

Mr. Ruddy will erect a residence on the site of the old Pickering College and a gang of men are clearing up the ruins.

ONTARIO COUNTY OLD GIRLS.

The Ontario County Old Girls' Association has arranged to hold after-noon tea daily, commencing Saturday, on Mrs. Dr. McGillivray's lawn, Whitby, in aid of the free public library of that town. Especial attention will be given to the entertainment of automobilists, the grounds fronting on the Kingston-road along which the motor traffic passes eastwards from Toronto.

ONTARIO VEGETABLE GROWERS.

The next regular meeting will be held at the Albion Hotel on Saturday, August 5, at eight p.m.

Exhibit: Three heads of cauliflower.

THE SUNDAY WORLD

The Sunday World this week gives pictures of all the recent important events both at home and abroad. Here you get eight pages of photographic reproductions, and the wonder is how we can do it, with all the other special features, for five cents. Some of the big things to be found in the Illustrated Section:

Picnic of Ward Four Conservatives at Queen's Heights.

Visit of the King and Queen to Edinburgh.

Rev. J. D. Morrow's big athletic meet at Exhibition Park, including a remarkable 14-column picture of the crowd in the grand stand.

Aviation Meet at Hamilton.

Canadian Canoe Association Regatta.

Reproduction of historical paintings in the Canadian Pacific Railway's Building at Glasgow Exhibition.

A number of water scenes in and around Toronto.

Mechanical staff of Scarborough Beach Park, McCaul School Basketball Team, Carty's Specials Bowling Team, Hamilton.

Salvation Army Fresh Air Camp at Clarkson's.

Barack Football Club and Eaton A. T. team.

And a lot of other excellent views and portraits.

Concerning Things Political

G. F. McKIM FOR SOUTH LANARK.

Local convention of South Lanark has chosen G. F. McKim of The Rideau Record of Smith's Falls as its Liberal candidate for the coming election.

Mr. McKim was the candidate in the federal elections, and was defeated by Hon. Mr. Haggart. A motion of confidence in Sir Wilfrid Laurier was carried.

Mr. McKim was elected to the convention. Hon. president, Senator Frost; president, Dr. A. W. Dwyer; first vice, J. Rice; second vice, A. B. Scott; secretary-treasurer, W. Walker.

AFTER NIPISSE NOMINATION.

NORTH BAY, Ont., Aug. 4.—A hot fight is anticipated for the Nipissing Liberal nomination in the riding of North Bay, where the defeated candidate in the last election, is working hard to win the convention, while A. J. Young has a strong backing, particularly in the mining section. John Loughran, ex-M.L.A., is also in the running.

Dr. Bedard will go before the convention as the choice of the French section, but the real fight will be between A. J. Young and C. A. McCool.

The convention is called for Aug. 15. The convention has not been dated, and the candidate will likely be the sitting member, George Gordon, who is said to be not very anxious for the nomination, and is willing to step aside for any other aspirant. In the event of Gordon's resignation, the nomination will be open to all.

Dr. Bedard is mentioned. There is also talk of the Conservatives not bringing out a candidate, but uniting with Independent Liberals on a candidate who will represent Northern Ontario in preference to party.

WILSON TO RUN IN WENTWORTH.

HAMILTON, Aug. 4.—Gordon C. Wilson, M.L.A. for North Wentworth, will oppose W. O. Seagram, M.P., in the Wentworth riding in the Dominion elections. Wilson was waited upon by the Wentworth Conservative executive last night, and gave his consent. He left for Toronto this morning to confer with Premier Whitney. This means that there will be a provincial election in North Wentworth shortly after the Dominion elections.

1908, when several new war issues were made. A large portion of the bonds now being used for heating purposes in the bureau of engraving and printing were originally used in lieu of actual currency, the Union soldiers being paid off in these bonds after the war. They were dubbed "seven-thirties" because they paid 7.3 per cent. interest, the highest rate ever paid by the United States Government.

When it was decided that the immense issue of bonds should be destroyed, the committee in charge of the work at first ordered that they be macerated. The bonds were so large, however, that the macerator refused to cut them up into small pieces. But the paper on which they are printed is too tough to allow of this operation and therefore burning was the only method of destruction left. Accordingly, orders were given that they were to be mixed with coal and burned in the furnaces of the same building where they were first printed.

The burning issue is delivered before breakfast to any address in Toronto or suburbs for twenty-five cents per month. Phone 8-3005.
