It is not likely that Sammy Heighty goalkeeper of the Ottawa Hockey Club, who recently returned from overseas, will be able to play much hockey during the coming winter. Sammy underwent an operation in one of the local hospitals this week, and will be laid up for some time, tho he is getting along winter. An Ottawa paper says: "While the new rules of the National Hockey League have not yet had a thoro trial, the consensus of opinion among the hockey critics and players who saw Wednesday's test match between Ottawas and Canadiens seems to be that the penalty system is a big success but that the forward pass with the forty-foot area is doomed to be a disappointment. In fact, there are many who are already advocating a return to the old style, whereby the puck cannot be legally passed ahead.

"Alf Smith says that the forward pass will never do in the area prescribed by the National Hockey League. He is not enthusiastic about it, even in the eighty-foot distance as allowed by the Patricks, but he can see no hope for it in the much smaller space. Smithy is firm for real penalties, and states that the old style of substituting players for every offence was a burlesque from the start.

Ernie Butterworth and Charlie McKinley, who refered Wednesday night's game, do not like the offside pass, while Frank Nighbor approves of it. Sprague Cleghorn thinks it will be better appreciated when the teams get accustomed to it.

O'Neill intermediate city playgrounds basketball team defeated Moss Park last night in a red-hot opening game, 34-31, and Osler senior team defeated O'Neill in another splendid game, 45-32. President Heydler Pays Official Visit to Boston

he said.

As president of the league, Mr. Heydler said, he did not intend to interfere with the domestic affairs of the teams in the circuit unless they concerned the league as a whole.

"The league," he continued, "is not in a position to dictate what any one club will do about its internal matters so long as it conducts its affairs in accordance with league obligations."

Mr. Heydler left tonight for New York.

CURLING IN WESTERN ONTARIO.

London, Ont., Dec. 20.—When the officers of the City of London bonspiel decided, upon Jan. 21 for the date of the next annual spiel, they overlooked the fact that it will conflict with the primary Ontario Tankard games, which will be played thruout the province that week, and for that reason the date will be changed. A meeting to decide the altering of the date will be called by President Ashplant for next week. A majority of the committee favor commencing the bonspiel on Jan. 14 instead of the 21st.

The London bonspiel, which grows in favor each year, will likely reach the high-water mark this season. Entries will be swelled by the decision to change the date so as not to interfere with the tankard games.

Messrs. F. H. Hindmarsh and J. A. Mackay, skips of the London Curling Club, have been invited to the Galt old boys' bonspiel, which starts on Jan. 6, while George (Mooney) Gibson will skip one of the two rinks invited from the Thistle club. The second Thistle club skip has not been named as yet.

Not Fitting Time for America's Cup Race

New York, Dec. 20.—The New York Yacht Club, at a meeting last night, decided to decline the challenge of the Royal Ulster Yacht Club for a race for America's Cup in 1919, but announced that if the challenge was renewed for 1920 it would be accepted.

In reply to the challenge, the following was cabled to Secretary H. L. Garrett of the Royal Ulster Yacht Club. Belfast, Ireland, by G. A. Cormack, secretary of the New York Club:

"While we fully appreciate its cordial and friendly expressions, we must frankly say to you that the members of the New York Yacht Club are strongly of the opinion that, with peace not vety concluded, with a long list of casualties still to be reported, with returning transports bringing home our wounded, and with conditions unsettled as they are, this is not an appropriate or fitting time for us to arrange for a purely sporting event of such importance as a match for the America's Cup. Accordingly, it seems best that we suggest to you that the challenge be withdrawn. If at some function on either side as to the propriety, you wish it of challenge for a race in 1920, we shall er, accept the challenge, to be defended by one of the boats which we built in 1914 for that purpose."

CANADIENS AT ARENA MONDAY.

On Monday the N.H.A. season opens here with a same between Canadiens of Montreal and Arenas of Toronto.
