BUSINESS MEN HOLD THIRTEENTH MEETING

The annual meeting of the Riverdale Business Men's Association executive committee was held in the Broadview YMC.A., Broadview avenue, recently. It is the chair. The report of the year's progress was read by R. W. Barker, secretary, showing that the organization, now in its thirteenth year, accomplished good work during the past twelve months. Altho all local improvements not absolutely necessary were allowed to stand over during the war, the association urged the Toronto Street Railway to place a wide intersection at Queen and Broadview, and the repair of the roadway at the junction of Broadview and Dundas, which was carried out, and at the request of the committee the city's recommendation to use the governor of the intilly. committee the city's recommenda tion to use the governor of the jail's residence as a measies hospital was

EPWORTH LEAGUE DELEGATES

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of disestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestents are not needed in such cases and may do real harm. Training aside all digestive aids and instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoor ful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk), is harmlest to the stomach, inexpensive to take and is the most efficient form of magnesia; for stomach purposes. It is used by though with no more fear of indigestion.
