ticnhood with favor. But it is this development within the British empire which affords the best hope of an ultimate federation of the nations of the world. By the persistence of the sentiment of individual nationality within most of their followers; the bulk of the linited Kingdom itself, the most of their followers; the bulk of the linited Kingdom itself, the most of their followers; the bulk of the linited Kingdom itself, the most of their followers; the bulk of the linited Kingdom itself, the most of their followers; the bulk of the linited Kingdom itself, the most of their followers; the bulk of the linited Kingdom itself, the most of their followers; the bulk of the linited Kingdom itself, the most of their followers; the bulk of the linited kingdom itself, the most of their followers; the bulk of the linited kingdom itself, the most of their followers; the bulk of the linited kingdom itself, the linited ki ment of individual nationality within the United Kingdom itself, the way was paved for the rise of great self-governing states within the empire. That process is capable of indefinite expansion in even more elastic forms, and can be adapted to meet any and every condition. The constitution of the United States does not permit of free adaptation, and the inclusion of Canada must be preceded by an alteration in that constitution itself unless Canadians are prepared to erase the Dominion from

to defeat the board of control." pro-tested the mayor on Ald. Harrison mov-ing that it be required that Mr. Thomp-son receive the support of a majority of council should other nominees be

dation laid over for six months.

Stewart supprised council with a display of exact knowledge of council procedure, which the motion offered would violate. Chairman Ald. Oliver supported Ald. Stewart's interpretation of the rules, whereupon Controller Ward moved that the recommendation be struck out.

Ald. McMurrich opened a rather dragging debate by giving the opinion that the

Ald. McMurrich opened a rather dragging debate by giving the opinion that the office was an unnecessary one, the assessment and property cimmissioners being both first-class men, who could lock after the city's interests.

Ald. Stewart opined that these officials had their hands full already, and pointed out that council had decided to create the office.

Ald. Dunn's views as to the future.

Ald. Dunn's views as to the future of the proposed new department were tinged with gloom. He predicted that a year would see is passing. The alderman drew a heated retort from Controller Jones by hinting that the post had been made for the benefit of a particular individual.

decular individual.

The fact that Mr. Thompson was the cominee, was in the nature of a fluke, considered Ald. Vaughan, who referred o efforts made to land the office for ther gentlemen. However, he favored

other gentlement. However, he can the appointment.

"Toronto is well known enough not to require a special boomer," asserted Ald. Harrison, who made the point that a commissioner could only point out the city's advantages without being able to offer special inducements. It would be better for the city to go to the legislature and get restrictions taken off, so that the city could offer free sites and other allurements.

proved its worth.

The vote then taken resulted as fol-

ANNUAL SHIRT SALE

The most gigantic sale of Shirts, Toronto-perhaps Canada -will ever have witnessed.

20,000 HIGH-GRADE SHIRTS AT 50c. EACH.

An annual event with us-yet. while never before so large as this year, if we're to judge by the great crowds that have always responded, it would seem that every man in Toronto deemed it prefitable to attend.

From the best Canadian, American and Austrian makers we've chosen these twenty thousand shirts.

They represent nearly every material that high-grade shirts are made from-and the very latest patterns and colors. All styles-all sizes.

And most of these shirts are the kind that you'd pay fancy prices for in the best stores of the city.

We've provided additional counters to serve you quickly, and arranged the different sizes in separate piles; we've added many sales-people to our force; there'll be a cashier on the spot, too-you'll not have to wait for change.

To be brief, we'll be ready Thursday morning to accommodate the biggest 8 o'clock crowd the store ever had, and to hand out these 20,000 brand new, high-grade shirts at

> 50 CENTS EACH MAIN FLOOR-QUEEN STREET.

WHITE SLAVERY.

Aid. Church's travels abroad had mpressed him with the value of a civic publicity department, so he informed superintendent, and J. Porter, booking to get away after having been run down with bloodhounds, and an additional twenty because he would not plead for mercy.

LOCAL FRUIT MARKET.

or Son, Chisholm, Dunn, McMurrich and Graham.

Tuesday was one of the big days of the year on the wholesale market. Receipts from all sources were very large, tomatoes from all sources were very la ordinarily as black raspberries, has scarce all thru the season. Lawton yesterday offered for sale in fairly lots and brought from 11c to 12c. The sustained by 12 to 4, Controller Ward and Ald. Chisholm not voting. The supply promises to be good. The Canadian peaches now coming on the market are for the most part of the Triumph, Hale's Early and Early Purple varieties, and certainly are not of a high grade. The demand is fairly good at from 30c to 50c a basket.

At White's auction rooms yesterday Cali-Harry Dawson of the Dawson Commis-sion Co. leaves this morning to attend the American appleshippers' convention, whimeets for three days in Nagara Falls, Y. W. H. Dempsen of Trenton was alin the city on his way to the convention.
