Force Needs Twelve Thousand Dollars in Excess of Last Year for Additional Strength.

A deputation of police officers. Inspector Johnston, Constables Murphy, Roe, Cathers and Clark, waited on Chief Grasett yesterday at noon and presented a memorial for an increase of pay to cover the 5 per cent, deducted for the Benefit Fund. The constables also asked to have the ten days' an mual leave of absence extended to two weeks, as is the case in other cities. Another suggestion made was that arrange ment be made for a two months' furlough poisonous powders.

after ten years of service. The reasons for the requests were written down, and considered at the meeting of the Board of Police Commissioners held in the attermoon. The board declined to move in the matter of increased salaries or extension of the annual leave, the members believing that they are doing the best they can now with the present state of the city's linances.

can now write the please state and sent on to the Board of Control. They are \$12,000 in excess of last year's, owing to the increase in the strength of the force, which is to be kept up to 300.

The commissioners formally talked over the conditions of No. 1 Station, but no action was taken. Some alterations have been suggested for the place, the idea being to move the station into the front of the building. The present station could then be fitted up with cells for male prisoners who are now confined in the basement.

Capt. Bernier's father and his forefathers for the past 325 years have been sailors and captains, sailing from L'Islet, Que. When only 17 years of age he had the distinction of being the youngest captain in the world, for it was then he ordered in the gang plank of the St. Joseph, and sailed from Quebec for England. He has since seen nearly every part of the world, having commanded 45 vessels.

Capt. Bernier has for many years been filled with a desire to explore and to find the Pole. He wishes to do so as a Canadian, and will devote his time and energy to that end. The expedition, he estimates, will cost \$150,000, and he has hopes the Dominion Government will give him help in this direction.
