CHARLES PATTERSON DEAD WEEK BEFORE MARRIAGE

His Father Lives in Hamilton—Lawsuit Started Over the Gurney Estate.

Hamilton, June 7.—(Special.)—A Winnipeg despatch received here today announced the death of Charles A. Patterson, who was until recently manager of the Winnipeg branch of the Bank of Hamilton. Death was caused by asphyxiation from illuminating gas. The deceased retired in good spirits, apparently, and was found dead in his bed. His father is John Patterson, 14 South Hess-street. Three brothers, J. Bradley, Chicago; A. B. Patterson, manager of the local branch of the Merchants' Bank, and H. M. Patterson, accountant in the office of the Landed Banking and Loan Company. The remains are on their way to this city. The marriage of the dead banker with Miss Naomi Farrel, Winnipeg, was fixed for a week from tomorrow.

A big lawsuit over the estate of the late Mrs. Eliza Gurney was started today, when Oswald G. Carscallen of the Gurney-Tilden Company had writs issued against his brothers, Henry G. and George G. It is alleged that Mrs. Gurney, according to her will, bequeathed the plaintiff $5000, but made transfers of $100,000 worth of Provident and Loan stock, and the homestead on Upper John-street, which cut him off without a cent. The plaintiff alleges that Mrs. Gurney was subjected to undue influence by the defendants when she made the transfers.

Garnet Raycroft and Miss Ida G. McIlroy were quietly married this evening.

A fashionable wedding was held in the Church of the Ascension this afternoon, when Miss Gladys Powis, fourth daughter of Alfred Powis, was married to Harold B. Greening, only son of S. O. Greening. Rev. Canon Wade officiated. The bridesmaids were Miss Hattie Greening, Miss Katie Powis and Miss May Glassco, and Miss Grace Powis was the maid of honor. Wilfred Watson was the best man, and the ushers were W. J. Southam, Stuart Macdonald, H. B. Griffith, L. Sey, St. Clair Balfour and Crawford W. Powis.

Miss E. Leonard was fined $25 or one month in jail this morning for breach of contract. The charge was laid by the Hamilton Cotton Mill Company, which advanced $33 for her passage.

PENETANG MAN DROWNED.

Sault Ste. Marie, June 7.—(Special.)—Alfred Norton, engineer of Ganley's tug Shawanga, was drowned last night by falling off a ferry boat while waiting to take the night ferry across the river. He was not seen falling in, but cries for help were heard and a plank thrown him, which he could not grab and disappeared. The body was recovered this afternoon. Norton was 52 years of age, and leaves a family of nine at his former home at Penetang.

Stricken With Paralysis.

Guelph, June 7.—William Reynolds, country treasurer of Wellington, had a paralytic stroke this morning and is seriously ill.

YORK COUNTY AND SUBURBS MRS. ABEL'S INDEPENDENCE

Refuses to Stay Quarantined—Warden's Excursion—County Happenings.

Toronto Junction, June 7.—E. Mann, a teamster, was charged in the police court this morning with removing sods from Wellington-avenue. R. W. Prittie, who owns the land on both sides of this street, claimed that the street had never been deeded to the town, and that he had a perfect right to permit Mann to take off the sods. A. J. Anderson, town solicitor, asserted that the town does own the street.

Daniel Bond and Thomas Quinlan, two youths who make night hideous and compel pedestrians to walk on the road, were each fined $1 and costs in the police court to-day.

Ralph Smith was discussing the baseball match at Lambton in front of the Junction postoffice on Saturday when William Smithson came along and joined in the conversation without being asked. A fight resulted which cost Smithson $2 in the police court this morning.

Dr. Hodgetts, provincial medical health officer, will be communicated with in regard to Mrs. Abel, who mingles with the public, altho quarantined for diphtheria.

Joseph Barrett, who is interested in a power plant at Erindale, is asking the council for permission to erect poles and string wires to supply citizens with light and power. Mr. Barrett was one of the promoters of the Humber Power and Light Company.

The Warden's Excursion.

Warden Lot Hartman of York County entertained a party of county councillors, county officials and friends, numbering about 100, to an excursion by the steamer Chicora, to Niagara Falls yesterday. The lake was beautiful and calm, both going and returning, and the weather was delightful all day. The party were taken over the Gorge route on the American side of the Niagara River. On arrival at Suspension Bridge, the party crossed over to the Canadian side and had dinner at the English restaurant. The three power plants for the development of electrical energy, which have been in progress of construction for two or three years, interested the party greatly, and they were much surprised at the wonderful development which has taken place during the year. Three power plants are destroying the natural banks of the river, and one of the largest works will gush out its immense volume of water underneath the falls. Some of the party visited Brock's monument and others went to Buffalo, but all returned on the evening boat, deeply indebted to the warden for the enjoyable outing.

Mayor Walters Incensed.

East Toronto, June 7.—The action of a number of East Toronto citizens in arranging a meeting in the office of Mayor Urquhart this morning is the subject of much comment on the streets here to-night. That a meeting should have been arranged and negotiations entered into with the mayor and the city representatives without the presence of Mayor Walters or a single member of the town council is regarded as a most extraordinary action on the part of the self-constituted committee. Those acting presumably on behalf of East Toronto were: Ira Standish, C. B. Watts, Wilson Fenton, J. L. Patterson and others. Associated with the Mayor was Ald. Jones. It was decided that a petition embodying four conditions should be circulated among the property-owners of East Toronto, as follows:

1. The city to assume the local and debenture debt of the town.
2. A fixed assessment for 10 years, except in the case of new buildings or property transferred.
3. No sewage system to depreciate the value of lake shore property.
4. The city to endeavor to extend the Toronto Railway service to the north end of the town, together with single rates.

To The World, Mayor Walters last night briefly expressed himself:

"In no sense do the committee who today waited upon Mayor Urquhart represent the views of the citizens of East Toronto. Without entering into details, I can only say that I am surprised at the attitude of Mayor Trembert in presuming to arrange a basis of settlement, and, as for the action of the committee itself, I regard their conduct in thus ignoring this council, as insolent."

Barn Raising—Don Mills Road.

David Duncan is to raise his new barn to-morrow (Thursday), afternoon, at his farm, at the head of the Don Mills-road. There will be a big turnout.

FIFTY-THREE YEARS OF GOOD WORK

Completed by Protestant Orphan Society—Annual Meeting.

Gratifying reports and a highly satisfactory gathering marked the 53rd annual meeting of the Protestant Orphan Society yesterday afternoon at the Orphan's Home, Dovercourt-road. The report for the year was read by Mrs. C. L. Howard. Owing to the lack of sufficient funds, infirmary accommodation could not be provided, but no deaths had occurred. During the year 60 children had been admitted, 32 boys and 28 girls, of whom 54 were natives of Canada and 6 of Great Britain. Fifty had left the home, 46 having been taken by relatives, 3 apprenticed and one adopted.

Miss Deacon, the matron, had very few complaints during the year about the children. Gratitude was expressed to Mrs. Gerhard Heintzman, who had trained the children in singing; to Miss Armstrong, to Houston Murray, as solicitor, to Dr. McConnell as medical adviser, and to Rev. J. P. Lewis, who conducts the Sunday school.

Mayor Urquhart warmly eulogized the management and tendered the thanks of the board to Mrs. Mortimer Clark and Miss Clark for their attendance.

The treasurer's report, presented by Mrs. L. G. Cowan, showed total receipts of $9737.57, made up of contributions from children's relatives, $1747.75; rents, less taxes and repairs, $1640.35; city grant, $1490, and collections and sundries, $4929.47. The expenditures left a balance on hand of $369.11.

Rev. J. F. Dingman succeeds Rev. Dr. Thomas on the committee of the council, no other changes having been made among the officers.

FOUND DEAD.

Belleville, June 7.—Adolphus Filion, proprietor of the Royal Hotel, Trenton, was this morning found dead in bed. Heart disease was the cause. He was 60 years of age, and a popular man. One of his daughters is the widow of the late Jas. Quirk, the foot racer, who was killed at Brantford.

SMALL HOLDERS PINCHED BY SALE TO GRAND TRUNK

Story Behind the Purchase of Beamsville Road By the Big Railway.

Hamilton, June 7.—(Special.)—The Grand Trunk Railway paid over the money for a controlling share of the Hamilton, Grimsby and Beamsville Railway, and took over the road today. The C.P.R. had also made an offer, which was refused, and while the C.P.R. was trying to make new terms the G.T.R. went in and closed a deal. Those who sold out are C. J. Myles, president; W. J. Harris, vice-president, Alfred Myles, and Leopold Bauer, directors. They got a fancy price, but the smaller shareholders, who hold stock aggregating about $100,000, claim that their interests have been sacrificed. They say they expect to lose everything, as it is not supposed that the G.T.R. will be anxious to pay divdends. There were 2000 shares in the concern, and the G.T.R. bought 1035 of them.

Kingston, June 7.—Arrived—Schooners Fleetwing and Metzner, Oswego, coal; tug Emerson, Montreal, light barges; schooners Two Brothers and Maggie L., Bay Port, grain.

Cleared — Schooners Youell and Voges, Oswego, light; tug Bronson, Montreal, laden barges.

Port Dalhousie, June 7.—Passed up—Steamer Arabian, Montreal to Fort William, general cargo; steamer Persia, Montreal to St. Catharines, general cargo.

Down — Steamer Jesse Spalding, Chicago to Kingston, corn; schooner Ford, River Aux Sable to Toronto, lumber; steamer Wallace, Duluth to Montreal, flour. Wind southwest; light.

Collingwood, June 7.—Departed—Barge Butcher Boy, for Detour, light; barge Mead, for Chicago, light; steamer Muller, for Detour, light; steamer City of Collingwood, Soo, passengers and freight.

Weather—West winds; fair and cool.

Midland, June 7.—Arrived — Steamer Strathcona, from Fort William, with wheat, 3.45 p. m.; steamer John Lee, passengers and freight, from Penetanguishene, 9 a. m.

Cleared — Steamer John Lee, passengers and freight, for Parry Sound, 10 a. m.; Tadousac, light, for Fort William, 3 p. m.

W. B. SCOTT.

Hamilton Man Appointed General Superintendent of the Houston and Texas Central and Houston East and West Texas Railway.

DURHAM LIBERALS.

Robert Beith, M.P., Again Leads the Cohorts Down There.

Orono, June 7.—(Special.)—The Durham Liberal Association, which includes the whole County of Durham, held its first annual meeting here this afternoon and was largely attended.

The election of officers resulted as follows: Honorary presidents, Robert Beith, M.P., Bowmanville; Henry Helm, Port Hope; president, D. B. Simpson, K.C., Bowmanville, re-elected by acclamation; vice-presidents for West Durham, Thomas Baker, C. C. Solina; vice-president for East Durham, Dr. L. B. Powers, Port Hope; secretary, R. D. Davidson, Bowmanville; assistant secretaries, James Deyman, Bowmanville; A. C. Long, Port Hope; treasurer, John McMurtry, Bowmanville; vice-presidents of municipalities, Bowmanville, M. A. James, Darlington; Thomas Smale, Bowmanville; Cartwright, Robert Philip, Cadmus; Clarke, A. A. Powers, Orono; Newcastle, K. R. Fisher, Port Hope, Dr. Aldrich, Hope; Fred S. White, Elizabethville, Manvers; Dr. W. W. Nasmith, Janetville; Cavan, Henry Elson, Millbrook; Millbrook, A. A. Smith, barrister.

Chairmen of all the polling sub-divisions were also elected. Speeches were made by William Rickard, M.L.A.; Thomas Baker, C.C.; W. F. Allen, M. A. James, Robert Philp, Thomas Smale, George Stephens, A. E. Clemens, W. H. McCallum and others. Resolutions of confidence in the Ontario and Dominion governments were unanimously passed. It is expected the convention will be called as soon as convenient to choose a candidate for the house of commons.

DROWNED IN A BARREL.

Brantford, June 7.—(Special.)—The five-year-old son of Mr. Hogarth, a teacher at Tranquillity, who resides in this city, was drowned in a rain barrel this afternoon. The family had just moved into a new home, and the little chap was unacquainted with the surroundings. He was missed at 4 o'clock. The body was found at 6 o'clock. The barrel was on a level with the ground and was in a dangerous location.

Baby Grands for Manitoba.

Evidence of the prosperity of Manitoba and the Northwest and of the large measure of culture that exists among the people, is seen in the extensive shipments of Pianos being made by the old firm of Heintzman & Co., with their handsome warerooms in Toronto, and large factory, recently doubled in capacity, at Toronto Junction. The Baby Grand of this firm finds great favor in the Prairie Province, as it does elsewhere in the Dominion. A week ago one of the handsomest of these instruments was sent to a well-known resident of Winnipeg, and another to Mr. Graham, ex-M.L.A., and now chief customs officer at Brandon, Man. The superb power, resonance, brilliancy and tone of this baby grand gives it a distinctive place among the finest-made instruments of manufacture, either at home or abroad.

ANGLICANS ASK $100,000 FOR MISSIONS NEXT YEAR

First Day of Synod Sees Little Work Done—Bishop Would Bond Congregations.

Yesterday morning the incorporated Synod of the Diocese of Toronto met in the school house of All Saints' Church. The business of the day as scheduled was hardly begun when the session was closed. Before formal business began the delegates attended communion service. The bishop's charge began by an affecting reference to those of the diocesan clergy who had rested from their labors since last year's meeting of the synod, including the late primate. Resuming the bishop noted the increases in the diocese during the last quarter of a century, the rise and progress of missionary activity and the advance in the church educational establishments. In regard to his own work Bishop Sweatman referred to his organization of the records of the bishop's office, his action in the committee on the consolidation of the church and his duties as chairman of the board of examiners of Trinity College, and to the many other departments of church work with which he was connected. The charge concluded by recommending the synod to endorse a proposal to bind congregations to pay their ministers.

Rev. Charles L. Ingles, Parkdale, was re-elected clerical secretary, C. Egerton Ryerson lay secretary, and David Kemp secretary-treasurer. Nominations of clerical and lay members to the executive and other boards were then taken. The election will take place to-day.

Money for Missions.

Provost Macklem presented the report of the missionary society, which stated that of the sum of $73,000 asked for last year $72,764.06 had been subscribed, seven dioceses subscribing less than their allotted proportions and thirteen more. The funds had been distributed, $40,828.23 for Canadian missions; $23,713.80 for foreign missions, and $7511-39 towards expense account, leaving a small balance. The Canadian dioceses sharing in the distribution were Algoma, Athabasca, Calgary, Columbia, Keewatin, Kootenay, Mackenzie River Moosonee, New Westminster, Qu'Appelle, Rupert's Land, Saskatchewan and Selkirk, while the foreign fields were Japan, China, South America, Palestine, Persia, East Africa and India. At the autumn meeting of the board of management Rev. H. R. A. Haslam, B.A., was accepted and sent to the Punjab, India, and at the spring meeting Miss Loretta Shaw, B.A.; Miss Collinette .V Harris, and Miss Katrina Kelly were accepted, and will be sent out shortly. For next year the sum of $100,000 was asked, of which Toronto would be expected to supply $22,000.

In seconding the adoption of the report Hon. S. R. Blake, referring to Toronto's failure last year to come up to expectations, said that the amount asked, $17,000, was a large one, and that it was begun to be collected too late. It was Toronto that had set the pace by undertaking to raise such a large amount. As Dr. Tucker has intimated a desire to address the synod on the subject of missions the debate was deferred till to-day.

Cause for Discussion.

A prolonged debate which occupied all the rest of the afternoon took place over a report of the executive on certain alterations in the business program of the synod. It was finally decided that there should be a service on Tuesday at 11 o'clock to consist of morning prayer, followed by holy communion and the bishop's charge. The synod also passed an amendment moved by Principal Sheraton to the effect that the executive committee shall appoint such part of the session as they deem advisable for the consideration of such questions as are usually discussed at church congresses.

A motion made by F. E. Hodgins, K.C., dispensing with the necessity of conformation in amending certain classes of the constitutional census and making effectual the vote of a simple majority in all cases was carried on a show of hands. It will fall to be confirmed at next year's synod by a two-thirds vote of the clergy and laity taken separately.

Last night the annual sermon was preached in St. Alban's Cathedral.

Missionary Society To-Night.

The Church of England Synod missionary meeting will be held this evening at 8 o'clock in the schoolhouse of St. James' Cathedral, instead of in that of All Saints' Church, as given out in the different churches of the city last Sunday. The bishop announced this change at the synod yesterday afternoon, and he is anxious that the change of place should come to the notice of all who are interested. The meeting is to be addressed by Mr. Iwai, a Japanese student, preparing for ordination; by the Revs. Canon Dixon and E. L. King, and by W. D. Gwynne. The bishop of the diocese will be in the chair.

A GUARANTEED CURE FOR PILES.

Itching, Blind, Bleeding or Protruding Piles. Your druggist will refund money if PAZO OINTMENT fails to cure you in 6 to 14 days. 50c. 136

Prof. Creelman, president of the Guelph College, and Dr. Muldrew, dean of the Institute, had an interview with the minister of agriculture yesterday, and discussed matters relative to the department, in anticipation of Mr. Dryden's trip to Europe, for which he leaves to-night.

Campers AND Cottagers

In buying their supplies always include a liberal order of Life Chips. They know that when everything else seems to pall on the appetite how delicious and crisp a dish of Life Chips is when served with good country cream. Thursday Next, June 9,
At 2 o'clock sharp, the aforesaid valuable paintings, the whole of which are intended for absolute sale.
On view all day to-day and from 10 to 12 to-morrow morning.

MOTORMAN FAILED TO SEE.

Did Not Know of Accident Until Girl Was Beneath Car.

The inquest on little Alice Beaty of 66 Sheridan-avenue, who was killed by a street car on Dundas-street, was commenced last night by Coroner Wilson. An adjournment was made until the 13th. The coroner was represented by Mr. Drayton, and Mr. Bain was present for the Toronto Railway Company.

Patrick O'Connell saw the child running across the street and the car strike her. She fell in under the fender and was shoved along for 50 feet before the car stopped. The car was running 15 miles an hour. He heard no gong.

George Bradley and Ethel Coxon gave somewhat similar evidence.

James Scott, the motorman, said the car was running eight or nine miles an hour. He passed the car going in the opposite direction at Argyle-street. He did not see the child until she was struck by the car. He immediately reversed the power. The car ran about 60 feet before it stopped.

The fenders as a rule are tested every morning, but he had not tested his fender for four days. The fender is released by a foot lever on the platform of the car. He did not press the lever to lower the fender on this occasion. He has been a motorman for 12 years, and had one fatal accident previous to this.

The jury will examine the fender.

2 in 1

When "My Lady" travels, she makes sure that there's a tube of **"2 in 1" Paste** for her shoes. As handy to carry as a toothbrush. No bottles to break or leak. No boxes to come open and smear over everything in the suit case.

"2 in 1" is a paste—that shines shoes like patent leather—with only one polishing and one rubbing—and won't soil the clothing.

15c a tube. At all dealers.
