

LOCAL MARKET.

Two important corn markets are on today, which no doubt attract a number of the farmers who would otherwise have attended the market.

The supply of hay today was light, amounting to 14 loads, for the best loads, \$10.50 and \$11 per ton for the best loads.

No straw offered, the buyers have orders for a dozen loads were offered, selling at \$1 to \$1.50 per ton.

A couple of loads of wheat sold at 70c to 71c per bushel.

WEEKLY REVIEW.

There was a good attendance of buyers and sellers at the markets held here the past week. Trade as a rule was brisk in every line represented. Prices were firm, especially for live and dressed hogs, hay, oats and butter.

Grain—New oats at \$1.10 per bushel, old oats at \$1.05 per bushel, and sell at \$1.05 to \$1.10 per bushel. Wheat brings 70c to 71c per bushel, Corn at \$1.05 per bushel.

Hay and straw—The demand for hay was not so brisk, the supply is small compared with other seasons, hence the demand, prices are firm, at \$10.50 to \$11 per ton, mostly at \$10.50. Straw is scarce at present and sales are made at \$5 to \$6 per ton.

Butter and Eggs—Butter was coming in quite freely last week, the past couple of days the supply has been small, sales at \$1.05 to \$1.10 per pound, prices are firm, at \$1.05 to \$1.10 per pound. Eggs are in good demand, and the supply is light, for crates 18c per dozen and baskets 15c per dozen.

Potatoes—Few citizens have yet purchased their potatoes for the winter, the demand is light and sales are made at 90c to 95c per bushel.

Fruit—There is a good demand in this line, except for apples, which are slow of sale, at 40c to 50c per bushel; pears are higher, at \$1 and \$1.10 per bushel, peaches at \$1.00 to \$1.10 per bushel, grapes at \$1.00 to \$1.10 per bushel, plums at \$1.00 to \$1.10 per bushel, and cherries at \$1.00 to \$1.10 per bushel.

Dressed Hogs—The price paid here on Monday was \$10.50 per cwt, about the same price will be paid for next Monday's shipment, small pigs sell at \$5.50 to \$7 per cwt.

Poultry—Dressed chickens sell at 40c to 45c per pair, live at 35c to 40c per pair, ducks at 30c to 35c per pair, geese at 25c to 30c per pair, turkeys at 40c to 45c per pair, and geese at 25c to 30c per pair.

WOOL MARKETS.

Toronto, Oct. 2.—Wool—The London wool sales, now in progress, have shown keen competition by manufacturers to get supplies, especially of better quality, and lower grades of wool are easier to sell. The evidence that manufacturers' supplies are low has made American markets firmer. Dealers are not inclined to bid for supplies held by country dealers, unless at slow and dealers are not inclined to make concessions which would bring a loss. Wool for washed, 15c for unwashed, 12c for rejects and 3c for pickings.

HIDES, SKINS AND TALLOW.

Toronto, Oct. 2.—Hides—There is no change in the market, which continues quiet, with prices steady.
