## DANDENO AND DONIHEE TURN OUT TO HELP TECUMSEHS

Indians Are Three Games Behind, With Seven to Go, and Saturday's Exhibition Was of the Strenuous Order — Querrie Trotted Out Two New Players—The Game in Detail

By a Staff Reporter.  
ISLAND STADIUM, Toronto, July 24.—With Dandeno and Red Donihée out in uniform, Tecumseh presented the strongest line-up of the season against the Indians here this afternoon. Charlie Querrie says the Indians will win today, but then the Blues battled hard for four quarters to pull out a one goal win. Rosedale was three games up, but there are seven to go. To grab the long end of the season's work the Indians must break in today with a win.

Referee—Tom Humphrey. Judge of play—H. Lambie.

Chief Querrie banged the first one past Holmes in just 30 seconds of play. From the face-off the rubber was scooped down the field. Dandeno shot and Dandeno gave a shot and passed to Querrie at the Indian end. Dandeno scored on a back-hand shot. Tecumseh 1, Rosedale 0.

Rosedale started off a shot attack. The Indians played a pass and passed. Querrie's try bound off the bar.

From a great battle at the Indian end Stagg stole a pass and passed to Querrie at mid-field. The chief came down all alone while Dandeno interfered with Harrison. Querrie bounded it in. Tecumseh 2, Rosedale 1.

Again a surprise attack by the Indians grabbed Rosedale unprepared. Dandeno grabbed it at the other end. Dandeno ran full tilt for the net, and the bouncer was in. Tecumseh 3, Rosedale 1.

Rosedale's attempt to penetrate failed. Dandeno, the Red Shirt, defence were always on their man. Warwick, trying to get thru, tripped Mackenzie and he changed him. Dandeno, who had carried down at each other with their fists and drew a ten minute penalty. The Indians started another lightning attack and Querrie shot to Dandeno, who the closely covered by Harrison, showed it past Holmes. Carmichael bowed thru the Rosedale defence for the Indians' fifth in two minutes more, and Powers checked it downfield.

Fourth quarter, Tecumseh 5, Rosedale 1. Tecumseh were expected to show an improvement on the field with the new blood thrown in. Dandeno, who had a complete rejuvenation as they played both at attack and defence. The home, instead of driving for time, bowed down to the Indians. Dandeno, who had carried down at each other with their fists and drew a ten minute penalty. The Indians started another lightning attack and Querrie shot to Dandeno, who the closely covered by Harrison, showed it past Holmes. Carmichael bowed thru the Rosedale defence for the Indians' fifth in two minutes more, and Powers checked it downfield.

HAMILTON, July 24.—Bright, sunny weather, a fast track and a crowd of eight thousand, including 500 racing fans that went up on the Grand Trunk special from Toronto, ushered in the second summer meeting of the Hamilton Jockey Club Saturday afternoon. There were the usual seven well filled races on the program. A field of eleven faced the starter in the Prince Edward selling stakes, the featured feature. The third race, a sprinting affair at six furlongs, in which a race of eight paraded, may be the most of the season. In this race the gallant Texas speed maver, Pan Zareta, was asked to pick up the heavy impact of 140 pounds, conceding as much as 40 pounds to some of her field.

## George Goulding Explains Why He Missed the Trip

Sporting Editor Sunday World: My attention has been called to an article in The Sunday World of July 18th, headed "Goulding's Troubles," from which a quotation from a letter I wrote to a friend in New York some time ago has been made public without my knowledge or consent and which I think is decidedly unfair to the firm I have been employed with for the past 11 years.

When I was chosen by the A. A. U. of C. as one of the representatives to the Olympic Games in England in 1908, arrangements were made by the Union as a representative to Sweden in 1912, and again every facility was furnished me by them to represent Canada there. In addition to these two European trips I visited Montreal and Winnipeg to compete in the championships. These several trips were arranged for me at considerable inconvenience and expense to the firm I have been employed by, and I cannot allow this matter to pass without explaining the innuendo thrown out in this quotation that I have been hampered in my proposed trip to France by my employers.

I was informed by my firm that when I won the championship of the world they would not permit me to make further extended trips and on account of business conditions pertaining at the present time when the staff has been reduced, I have been placed in charge of the office and it would seriously interfere with the work that I have now in hand to make any such proposed trip.

Yours truly,  
GEO. H. GOULDING

## Leafs Nicely Walloped By Montreal Royals

Peasoupers Hammered Manning and Cook to All Corners and Scored Fifteen Runs—Leafs Gathered Six Runs and Eleven Hits—The Details

Special to The Sunday World.  
YANKEE PARK, Montreal, July 24.—Before a good-sized Saturday crowd, despite rival sporting attractions, the Leafs and the Royals met this afternoon in the second game of their scheduled three-day series. The final will be played Sunday afternoon at the National grounds, when the French-Canadian hurler, Jack Cadore, will work for the home team. After beating the Leafs yesterday, the Royals were confident today of getting the best of the Leafs. The only rest has put Howie's pitching staff in good mood and for duty today he named the pick of his flock, Bullet Miller, as Clyde opposed him with Manning, his good left hander.
