

## DELIGHTED WITH CONVENIENCE OF EASTERN HARBOR

A warm tribute to the foresightedness of the legislators who fathered the Courtenay Bay development scheme and to the progressiveness of Allen G. McAvity—who recently erected fuel oil tanks in that harbor—and words of praise for the natural advantages of the new harbor, were given yesterday afternoon by Captain Philip Wulfsen, commander of the steamer Baldhill, which has been discharging a cargo of fuel oil at the tanks for the last few days.

Captain Wulfsen said yesterday that when his vessel went into Courtenay Bay on April 18, she was drawing twenty-six feet of water, as she had a cargo of 80,000 barrels of oil on board. The steamer is of 8,970 tons dead-weight, is 496 feet long, and has a beam of 56 feet. Notwithstanding this fact, she had lots of room and was turned in the bay before her cargo was taken off. The captain gave it as his opinion yesterday that steamers of 15,000 tons or more could enter the bay in perfect safety with a little more dredging. On Tuesday a heavy wind was blowing, but the vessel experienced no swell, due to the excellence of the breakwater protection at the mouth of the harbor. That there are great possibilities for St. John in connection with Courtenay Bay, as every city has not the natural advantage of twin harbors, and that the new one should outstrip the present one in safety and convenience, was the verdict of this seaman, with a knowledge of the harbors of the world, and speaking from wide experience.

Speaking of the fuel oil station, Captain Wulfsen said that the citizens of St. John should be very proud of Allen G. McAvity for his enterprise in erecting the station, and expressed the hope

that he would have the best of luck in his undertakings. The Baldhill finished discharging her oil into the steamer Montclair during the night and sailed this morning for Texas city.

## THE ORANGE GRAND LODGE HOLDS ITS ANNUAL ELECTION

St. Stephen, April 19.—The Orange Grand Lodge closed its annual session here tonight. There has been a very large representation present from all over the province. The next annual annual meeting will be held in Fredericton.

A very pleasing event occurred this afternoon, when the lodge presented its oldest past master, David Hipwell, of St. John, with a silver service. Mr. Hipwell thanked the lodge in a very appropriate speech. All reports showed a very encouraging year in the Loyal Orange association.

The officers elected were: S. B. Bustin, G. M.; H. T. Brewer, S. D. G. M.; J. H. Cochrane, J. D. G. M.; Rev. David Jones, M. A. G. C.; W. H. Smith, G. S.; Robert Wills, G. T.; A. Ferguson, G. D. ## LOYALIST TEMPLE'S FIRST ANNIVERSARY

The first anniversary of Loyalist Temple, No. 13, Pythian Sisters, was pleasantly celebrated last evening in the Pythian castle in Union street, when the ladies and their escorts enjoyed a delightful musical and literary programme, followed by a dance and the serving of refreshments. There was a large party assembled, and the occasion will be remembered as one of the splendidly successful events in the history of the temple. The first part of the evening was taken up with the programme given in the auditorium, with the Excellent Chief, Mrs. O. R. Dykeman, presiding. The numbers were as follows:—Vocal solo, Douglas Thorne; reading, Miss Roberta Roberts; Scotch dance, Mr. Macdonald; vocal solo, Mrs. George Bell; reading, Miss Alice Vanwart; vocal solo, David Lattimer; reading, Miss Star McAlpine; piano solo, Miss Gladys Dykeman; vocal solo, Miss Ethel Parlee;

reading, Ronald Shaw; vocal solo, Miss Tobin. At the conclusion of the programme the auditorium chairs disappeared quickly and the hall was converted into a ballroom. An orchestra played a programme of twenty dances, and a running supper was served in the dining suite downstairs. The temple members were divided into committees and proved excellent hostesses. A flashlight photograph was taken before the party dispersed.

## Winsome

The New Toilet Soap—actual size

## Winsome in name—Winsome in deed

In announcing "Winsome" Toilet Soap to Canada's millions we do so knowing that it will make a wonderful appeal. It is the newest and most exceptional product of the Vinolia laboratories. It is the purest and finest Toilet Soap that science can devise. We cannot make Winsome Soap better—if we could we would.

WINSOME is entirely British and made in Canada. For years our investigators have been studying the Canadian climate, our varying water supplies, and the different living conditions of Canadians, as they affect the skin and complexion of our people. The problem was to make a new soap just right for Canadians—not a foreign soap adapted to Canada.

THIS problem has been wonderfully well solved in "Winsome."

WITH our associations we are the largest soap makers in the world. Direct from our own plantations in the South Seas, come the very cream of soap-making oils for "Winsome." From France and the Orient comes the enticing "Winsome" blend of perfumes. Under the care of

soap experts comes the "Winsome" tablet itself—exquisitely pure and snowy white. The daily use of "Winsome" is an unrivalled aid in cleansing, and purifying the complexion, and keeping the skin clear, and smooth as silk.

WE could use cheaper and inferior grades of material, and cover these up by adding colour to the soap, thereby saving many dollars in the cost per gross cakes, but the public of Canada know that Vinolia Soaps stand supreme. Our name and reputation the world over is a synonym for quality—hence the whiteness and purity of "Winsome."

ASK your druggist or at the toilet section of your stores for "Winsome." One trial will make you a "Winsome" user always.

"Winsome" is our registered name for Toilet Preparations and Perfumery.

## ANOTHER MACHINE FOR THE AVIATORS

Lisbon, April 19.—It was announced by the ministry of marine today that if the damage to the hydro-airplane of which the Portuguese aviators have flown to St. Paul Rocks, is irreparable another plane will be sent to enable Captains Coutinho and Secadura to continue their flight to South America.

Unable to Proceed.  
Rio Janeiro, April 19.—The Portuguese aviators who are attempting a flight from Portugal to Brazil will be unable to proceed with their hydro-airplane from St. Paul Rocks, a few hundred miles short of their goal on the American continent, where they landed last night, because of damage to their machine, according to a Havas dispatch from Pernambuco today. The message says their hydro-airplane was so badly damaged in effecting the landing that it is no longer useable. The aviators, however, expect to save the motor.

## FINE CANADIAN LIQUOR RUNNERS

Syracuse, N. Y., April 19.—Seven confessed bootleggers, two of them Canadians, were fined a total of \$8,150 by Judge Cooper in federal court here today. Selling two drinks of whiskey cost Sam Gillette, of Watervliet, \$400. Malcolm A. Miller, of Lowell (Mass.), was fined \$700 for running liquor from Canada and his companion, Maurice A. Cooper, who financed the expedition, was fined \$800. Louis Hammond, of Glens Falls, was fined \$600 and David George, of Hudson Falls, \$150 for running liquor. Adrian and George Boudreau, of La Cote (Ont.), were each fined \$500 for bringing in 600 bottles of whiskey.
