Scrap yards have had a poor season if you are not satisfied after using one-half package according to directions return it to your grocer and get your money back. SMOKE MACDONALD'S INDEX. NOTABLES AMONG CIVILIANS WHO CROSSED ON OLYMPIC. Among distinguished civilian passengers who came over on the Olympic to Halifax yesterday were the Duchess of Devonshire, wife of the Governor-General of Canada; Lady Cavendish, daughter of the Duke of Devonshire; Hon. R. J. Caldwell, Marquis De Bugard, Sir Charles and Lady Gordon, Lord Haldimand, Count and Countess Le May, Marquise and son from Paris, Brigadier-General Bell Smith and Sir St. Claire Thompson. The Olympic brought besides 5,300 troops, 200 first class passengers and seven second cabin. R. A. Franklin, president of the International Mercantile Marine Company, and Frank Vanderlip, a director of the company, a multi-millionaire, were also aboard the liner. Captain Robert Hannah of the 29th western battalion was the only Victoria Cross winner among the large number of soldiers. ST. MARY'S BAND REORGANIZED. Last night the St. Mary's Band was reorganized at a meeting in St. Mary's school room. The St. Mary's Band became the 140th Battalion Band when that battalion was raised and when the 140th was broken up in England the band was transferred to the Princess Pats. They played at the wedding of Princess Patricia in London and returned with the famous Quebec unit. The instruments were presented to the battalion band by the Brunswick Chapter, I. O. O. E., and have been handed over by them to the reorganized St. Mary's Band. The bandmaster is H. H. Williams, brother of the former bandmaster, C. H. Williams, who was killed in France. Real Wonder-Worker For Wrinkled Faces. Those who have tried all sorts of so-called "wrinkle removers" in a vain effort to lose those traces of age, illness or worry, can scarcely find words to express their delight with the wonderful azolette formula, once they have given it a trial. The success of this method is due not alone to its marvelous effectiveness—upon the deepest lines and crowfeet, as well as upon the very fine ones—but also to its surprisingly quick action and its entire harmlessness. Its simplicity is another commendable feature, for one need only dissolve an ounce of powdered azolette in a half pint of lukewarm water, and wash the face in this solution. At once a remarkable transformation is effected. It is not only the effect on wrinkles and creases that is so noticeable, but the actual contour is remarkably improved and the face looks much younger. One should be sure to ask the druggist for the powdered azolette. The lotion, being refreshing, is particularly grateful to red faces.
