Our belief is that there is no department of our national life which Canadians are not able to manage themselves as well as any other people can do for them. The independent course of our representatives in the Assembly of the League of Nations at Geneva has a welcome significance that our day of tutelage so over and has evoked no criticisms from our movement.

We have invited and welcomed to sur shores people of many varied saces; most of them have found security and comfort in our midst, but in other directions our treatment of them has not always been generous or wise. There is much that we can learn from them and with proper encouragement they can be made most valuable citisens. MODERN, artificial methods of life make it absolutely necessary to use medicines occasionally to ensure the regular and healthful action of the liver, kidneys and bowels.

In the great majority of homes Dr. Chase's Kidney-Liver Pills are recog-nized as the most satisfactory regulating medicine for all the members of the family.

This medicine is not in any sense a cure-all, but its use occasionally, as

required, ensures the activity of the liver, kidneys and bowels, the cleansing of the system, and the purifying of the blood.

For this reason you can depend on Dr. Chase's Kidney-Liver Pills to prevent and cure constipation, torpid liver, indigestion, kidney derange-ments and resulting painful allments, such as backaohe, rheumatism and lumbace.

Dr. Chase's Kidney-Liver Pills are so universally used that you can ob-tain them at any store where medi-cines are sold.
