Sainte-Gabelle Inn.

St. Gabelle is a small village not far from the Toulouse, in France, much the young man nor the sorcerer were affected in olden times by Spanish ever seen afterwards, nor the beautiful merchants, as it was the fashion to call quadruples which the other travellers smugglers. At the inn of this village and myself had furnished to cover the one night during a thunderstorm the wager proposed by the pretended Spanitalk, as usual, changed from the ter- ard; and because these two rogue rors of the natural to those of the super- carried them away, after having played natural in general, and ghosts in parti- under our eyes a comedy which we be cular. As is the wont on such occasions, the company was divided into believers which I found very expensive, but aud unbelievers. Amongst the former which will not have cost too much if was a Spanish merchant, whose singular it enables me to fully persuade you remark, made in a tone still more sin- that none but imbeciles or rogues be gular, that sorcerers, witches and ghosts lieve or pretend to believe in ghosts. preferred moonlight nights to such an inky-black and stormy night as the one Men who Win Women :—God has so On this been derided by a young man dren, cling to men; lean upon them as for his superstition, the Spaniard first though they were superior in mind and threw it in his opponent's teeth that he body. They make them the suns of WALTHAM. would not dare to look on a ghost if he the system, and their children revolve saw one, and then bet a considerable around them. Men are gods if they sum that he, the speaker, could bring but knew it, and women burn incense before him the spirit of any friend he at their shrines. Women, therefore, In Gold and Silver Cases, Ladies chose to name, how long soever he had who have good minds and pure hearts, been dead. The bet was at once taken | want men to lean upon. Think of them up, and an adjournment made to a small | reverencing a drunkard, a liar, a fool, pavilion perfectly isolated in the garden, or a libertine. If a man would have a so that there could be no déception. woman do hine homage, he must be It was minutely searched with all its manly in every sense; a true gentlesurroundings, the only opening besides | man not entirely after the Chesterfield the door being a small window securely school, but polite because his heart is fastened. All placed themselves at the full of kindness to all; one who treats door save the young man, who was left her with respect, even deference, bealone in the pavilion, the lights having cause she is a woman, who never condebeen removed and writing materials scends to say silly things to her; who placed on the table. All kept a pro- brings her up to his level if his mind is found silence, eagerly watching for the above hers; who is ever over anxious to

the waves, wipes with his shroud the as a cabin boy. water from his garments and hair."

his voice an accent more and more counting ten, or fifty, or 100 minutes to solemn, he said :teries of the tomb, what do you see?"

dent replied in a calm voice, but like a is this: man who is describing a thing as it hap-"I see this vapour, which grows

a veil; it remains in the same place where it arose." "Are you afraid?" asked the Span-

iard in an insulting voice.

raise his arms above his head, while in- clocks and watches voking three times a name horrible to pronounce, after which he chanted the third verse of his infernal song, but in a voice singularly triumphant: "And the phantom said in leaving

the tomb, in order that he may recogMedicine. It quickly cures Coughs, Colds nize me, I will go towards my friend, proud, smiling, and beautiful as in my nature, removing, as it does, the cause of

repeated his terrible question:

it is Francois Violot; he approaches the table; he writes: he has written; it is his signature." "Are you afraid?" cried the Spaniard

There was a moment of inexpressible silence, and the student replied, with more strength than assurance, "No I am not afraid !" Immediately, as if seized with a fit of

madness, the Spaniard commenced to sing, with a strange howl this last horrible verse: "And the phantom said to the mock-

ing man come, then, that I may touch you, put your hand in my hand, press your heart to my heart, your mouth to my mouth." "What do you see?" cried the Span

iard in a voice of thunder. "It comes—it approaches—it pursues me-it extends its arms-it will seize me. Help! Help?"

e. Help! Help?"
"Are you afraid?" cried the Spaniard with a ferocious joy.

A piercing cry, then a smothered groan was the only answer to this terri-"Help that impudent young man!"

said the Spaniard to us in a cruel voice. "I have, I think, won the wager, but it is enough for me to have given him a lesson. Let him keep the money and be more prudent in the future."

He went away rapidly after these words. We were utterly dumbfounded. We opened the door and found the student in horrible convulsions. The paper, signed with the name of Francois Violot, was on the table. - Scarcely had the student recovered when he demand- 1000 Qtls. COD FISH. ed to know who was the infamous sorcerer who had subjected him to this horrible profanation; he wished to kill him. He searched for him all through the inn, and darted off like a madman in pursuit of him. And that is the story, my children.

We were all trembling with fright, huddling closely about our Uncle Bayle, not daring to look around us Jeannette herself had forgotten her roast, which had fallen into the fire and smelled very strongly as it burned. NOVELS No one had the courage to speak ; then I gathered strength enough to say to

my Uncle, "And how is it, after this you do not believe in ghosts?"

"Because," said my Uncle," "neither

question, drew general attention. made the sexes that women, like chilend, the more so, because so many had do right; who has no time to be frivulous contributed to the amount staked, \$220. with her; always dignified in speech The Spaniard who had remained and act; who never spends too much among us (says one present), then began upon her; never yields to temptation, to sing in a sweet and sad voice a song, even if she puts it in his way; ambitious to make his mark in the world, Noiselessly cracking, the coffin has broken in the half-opened tomb, And the white phantom's black foot is resting on the grass, cold and green.

whether she encourages him or not; who is never familiar with her to the extent of being an adopted brother or And after this first verse he raised his extent of being an adopted brother or cousin; who is not over careful about "You have asked to see your friend, ate, but always keeping his place of the

good mind, energy and industry, will win any woman in the wide world who will be sold low pale light which has risen near the win-is worth winning.—Christian Guardian. Columbus was a weaver. Franklin a journeyman printer. Ferguson and Burns 'Are you afraid?" said the Spaniard | were ploughmen. Esop was a slave. Hogarth an engraver on pewter pots. Ben Johnson was a bricklayer. Porson was the 'I am not afraid," replied the student son of a parish clerk. Akenside was a We scarcely breathed. The Spaniard butcher's son—se was Wolsey. IRON TURNING AND BLACKSMITH'S WORK, nd general repairing of Machinery of all kinds.

ACCIDENTAL BREAK-DOWNS of Machiner BRASS CASTINGS. of the best quality at lowest prices. I beg to call the attention of Millmen and Lui ermen to my new Machines, viz., my COMPOUND EDGER AND SIN-

GLE EDGER, AND MY RE-

SAWING MACHINES re got up expressly for the lumber business are got up expressly for the lumber obsenses.

My Edgers have now been running in St. John and Miramichi for twelve months and have given every satisfaction desired and I feel pleased to be able to refer to any of the Mill owners who have them, including: Messrs. Randolph and Baker Long & Barnhill, Clark Bros.—Firms of sucstandings as are well able to advise intending purchasers as to what is best for their interests and in regard to the practical superiority of my machine over all others. My COMPOUND OR DOUBLE MACHINE will edge 10,000 feet per hour, if re juired. My Six6LE EDGER, which I am getting up expressly for
Steam Mills of limited power, with a view to do the
most work with the fewest hands, will be about
half the weight of the Compound, and about half
the price, will have only two saws and will run 40,000 feet per day of 10 hours. My RR-SAWING MACHIN
is got up expressly for recutting deals and scantling from four inches down to \(\frac{1}{2} \) in. thick or deals
into boards any thickness.
Plans, specifications and estimates furnished.

N. B. An experience of 40 years in all the
branches in the above lines enables me to guaruntee all work that may be entrusted to my care. JAMES NEILSON.
