

LA VIE CATHOLIQUE

Encore une importante invention d'un prêtre

L'AUTOGENOMOTRICE ELECTRIQUE

San Paolo, Brésil, 27. — Un prêtre italien, le Père Antonio d'Angelo s'est livré à des expériences intéressantes sur un appareil de son invention, l'autogénomotrice électrique, destiné à remplacer les combustibles jusqu'ici pour mettre en action toute industrie mécanique.

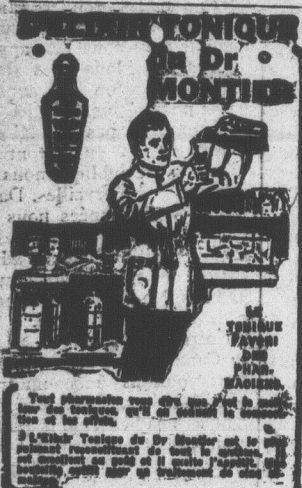

Cet appareil est, par lui-même, générateur d'électricité; il fonctionne au moyen d'un outillage mécanique pouvant produire n'importe quelle force.

L'autogénomotrice électrique se fait applicable aux automobiles, aéroplanes, trains, vapeurs, en un mot, à n'importe quel moyen de transport. Les expériences accomplies en présence de techniciens auraient donné d'excellents résultats et l'inventeur aurait pris un brevet pour le monde entier.

Les journaux brésiliens, en s'occupant de cette invention, déclarent que l'on est à la veille d'un des plus grands événements scientifiques que l'histoire ait enregistrés.

Au Mexique sanglant

Mexico. — Le régime religieux, en vigueur au Mexique, est celui des pays où sévit la persécution. Les laïques ont la permission de donner la Sainte Communion ainsi qu'à leurs frères dans la Foi. De même pour les mariages, ils se contractent entre deux témoins laïques, avec la promesse de les faire bénir par les prêtres dès que la chose sera possible. S'il ne peut en être autrement pour la messe, les prêtres, qui la célèbrent au péril de leur vie, peuvent la

limiter à l'Offertoire, à la Consécration et à la Communion. Les prêtres ont tellement été pourchassés que dans certains diocèses, comme celui de Tabasco, leur nombre est réduit à onze.

2,500 anglais passe à l'Eglise catholique

On annonce officiellement de Londres que 2,500 fidèles anglais se sont convertis au cours de l'année à l'Eglise catholique romaine.

Le crucifix au prétoire

Paris. — Protestant contre la condamnation des anarchistes Sacco et Vanzetti, le Midi socialiste de Toulouse écrit: "On se refuse encore à croire qu'une telle monstruosité puisse s'accomplir. Il n'y a donc pas de Christ au-dessus des prétoires américains?"

"Nous ne savons pas, écrit à ce sujet la 'Croix', s'il y en a dans les prétoires du Massachusetts, mais nous savons qu'il n'y en a plus dans les prétoires français. Les lois laïques les en ont déshonorés et, en certaines villes, elles les ont jetés à la voirie pour remettre en exécution l'odieuse blâme révolutionnaire.

Puisque le Midi socialiste pense avec raison que la présence du Christ est une garantie de justice, nous espérons qu'il s'unira à nous pour demander qu'on replace le crucifix dans les prétoires par l'abrogation de la loi laïque qui les en a enlevés."

La persécution en Equateur

Quito. — L'exemple du Mexique est contagieux. La République de l'Equateur commence aussi à persécuter les catholiques. Pour le moment, ce sont surtout les Ordres religieux qui ont l'objet de la haine des sectaires. Plusieurs de leurs membres ont été jetés en prison. Un convent de Dominicains a été transformé en caserne et occupé par la troupe. Des Sociétés de jeunes gens catholiques dirigés par des Jésuites, ont été dissoutes.

Depuis l'assassinat de l'inoubliable président, Garcia Moreno, la lutte n'a jamais cessé entre les franc-maçons qui sont puissamment organisés, et les catholiques. Et pour combattre ceux-ci, on a bien des pays, les sectaires libéraux, qui, pourtant appartiennent tous à la classe aisée, ont fait alliance avec les communistes contre l'Eglise.
