THE OUTLOOK

For a woman's happiness in the married state depends less, as a rule, upon the man she is to marry than upon her own health. The woman who enters upon marriage, suffering from womanly weakness, is "heaping up trouble against the day of trouble."

Weak woman are made strong and sick women are made well by the use of Dr. Pierce's Favorite Prescription. It is the one reliable regulator. It dries enfeebling drains, heals inflammation and ulceration and cures female weakness. It nourishes the nerves and invigorates the entire womanly organism. It makes

It nourishes the nerves and invigorates the entire womanly organism. It makes the baby's advent practically painless, and gives strength to nursing mothers.

"I suffered for twelve years with female trouble," writes Mrs. Milton Grimes, of Adair, Adair Co., Iowa, "which brought on other diseases—heart trouble, Bright's Disease, nervousness, and at times would be nearly paralyzed, Had neuralgia of stomach. I can freely say your medicines (nine bottles in all, five of 'Favorite Prescription,' four of 'Golden Medical Discovery,' and two vials of Dr. Pierce's Pellets), have cured me. I can work with comfort now, but before I would be tired all the time and have a dizzy headache, and my nerves would be all unstrung so I could not sleep. Now I can sleep and do a big day's work, something I had not done for over eleven years before."
