### YOUTH HUNTING NEAR BURNWALL MEETS HIS DEATH

#### Lorne Wiemer, Aged 16 Years, Meets with Fatal Accident by Fall in Snow Drift and Rifle Explodes.

Corwall, Ont., Feb. 25.—Lorne Wiemer, the young son of Mr. and Mrs. A. H. Wiemer, Mills Road, was accidentally shot and killed, he fell in a snow bank and his rifle was accidentally discharged, the bullet lodging in his stomach. Deceased was in his 16th year.

### TWO TURKISH SHIPS GO TO BOTTOM UNDER FIRE

Constantinople, Feb. 24.—According to the latest despatches from Beirut, the Corvete Avranli and a torpedo boat replied to the Italian fire. The Avranli was struck and soon was in flames. The torpedo boat was sunk. Not less than 30 persons were killed, two of the dead, it is believed, being Russian subjects. About fifty persons were wounded. Several shells were dropped into the town and the offices of the Ottoman Bank were damaged.

During the panic which followed the bombardment, a mob forced the government armory and secured arms. The Italian warships at the conclusion of the bombardment steamed away for an unknown destination.

The news of the bombardment produced a panic on the Bourse, resulting in a fall of Consols. It is believed that the Italians will continue their attacks on other coast towns. As a consequence there is reason to expect that the Porte will carry out its determination to expell all Italians from Turkey and close the Dardanelles.

Beirut, Feb. 25.—Marital law was proclaimed here today, although it is quiet within the town. Not less than sixty persons were killed, and one hundred wounded during the bombardment by the Italian warships on Saturday. The arrival of the Italians early on Saturday was followed by an immediate demand for the surrender or the destruction of two Turkish torpedo boats lying in the harbor.

Paris, Feb. 25.—The Italian action at Beirut has caused somewhat of a sensation here, for France, like other European countries, has important commercial, industrial and religious and educational establishments in that city. An outbreak of fanaticism, which the bombardment of Beirut is calculated to provoke, is feared, and to prevent as far as possible the natural consequences of such an outbreak, the French government has ordered the armored cruiser Amiral Charno, which is now at Suda Bay, to proceed to Beirut.

London, Feb. 25.—Turkey has decided upon the expulsion of all Italians in Syria, according to a special despatch from Constantinople. The order will go into effect immediately, but 15 days grace are allowed.

Vienna, Feb. 25.—The bombardment of Beirut by Italian warships occasions serious misgivings here. The Vienna papers indulge in sarcastic comments on the Italian warships. "Die Zeit" urges the powers to take action to prevent Italy from repeating such attacks.

Constantinople, Feb. 25.—The foreign educational establishments at Beirut escaped damage at the hands of the Italians during the bombardment of the city. The latest estimates of the casualties received here, indicate that 30 persons were killed and about 100 injured. Marital law has been proclaimed at Beirut, but the town is said to be quiet.

#### Minister of Justice Gives Provincial Governments Opportunity to be Heard on Marriage Law Question.

Special to The Standard. Ottawa, Feb. 25.—On Saturday Hon. C. J. Doherty, Minister of Justice, despatched telegrams to the Provincial premiers inviting the Provinces to appoint counsel to represent them at the argument on the reference on the marriage law.

The telegram recites the questions which are being submitted to the Supreme Court and continues: "The government intends providing counsel to represent both views on these questions. As provincial rights in respect of scope of legislative power are involved this government invites your government to appoint additional counsel to represent the province if you deem advisable to do so."

### THINKS RUSSELL'S PROFANITY WORTH TWENTY THOUSAND

Montreal, Feb. 25.—Mrs. Elizabeth Cullen, the Halifax lady who figured prominently in the McNeill case some two years ago is seeking \$20,000 from David Russell, alleging that he addressed her in language more forcible than polite. The case is another arising out of the famous Pinkerton-Russell case.

Montreal, Feb. 25.—Archbishop Bruchési, who pronounced the ecclesiastical decree declaring null the Hebert marriage thus paving the way for a recent judgment of the civil courts in favour of the civil marriage, preached today in St. Anne's church in view of the decision by Mr. Justice Charbonneau just handed down in the famous Hebert case, his remarks were heard with unusual interest.

His Grace said in part: "The agitation now being carried on from one end of our country to the other, the more or less violent articles appearing in several Protestant newspapers against the wise and beneficent, yet evidently ill-considered legislation of the Catholic Church and the deduction gathered from a recent judgment of the civil courts impose upon me the duty to raise my voice for the purpose of trying to interpret human laws, but in order to do so more solemnly I wish to reiterate the principles of our faith touching the August Sacrament of Marriage, as well as the sacred legislation of the Church which neither jurist thesis nor the findings of civil tribunals abroad, nor the modifications of governments make laws for the valid and legitimate celebration of marriage and if these laws contradict those of the church, the latter can in no way be affected for the reason that the faithful and the members of whom the laws of the church apply will remain loyal unless they want to be excluded from her sacred jurisdiction."

After quoting the Ne Temere decree he proceeded: "So here is this Ne Temere decree with which a sacred and which they represent as an attempt to destroy the peace of families and the liberty of conscience. Marriage celebrated abroad, these essential conditions is consequently null by the fact both as regards conscience and religion."

"That this legislation is reasonable and that it finds support on motives of the very highest order, no one can deny, for it is remembered, that marriage is not a simple contract, submitted as it is the case of all other contracts to the jurisdiction of the civil power. Marriage, like all the other sacraments, belongs to the church, and consequently it belongs to the church to direct everything that concerns the validity of marriage. Such was the declaration of the Catholic church before the Protestant reformation, and such will it be in all times."

"If, however, our separated brothers have rejected it, they have made marriage a simple contract, submitted like all others to the civil power which may be dissolved or governed at will, let them at least allow us to remain faithful to our secular traditions and in the name of that liberty which they claim for themselves, let them permit us to act according to the convictions of our faith."

### YOU CAN'T CURE CATARRH BY SWALLOWING DRUGS

#### Cough Syrup, Tablets and Sprays Sick on the Stomach But Don't Reach the Germs of Catarrh—Hence Their Failure to Help.

To cure an ailment in the throat or chest, to rout out Catarrh or Asthma, it is essential that the medicine be conveyed direct to the affected parts. This is why no other remedy has achieved such world-wide success as Catarrhazone, which alone can be breathed in one second to every air cell in the breathing organs. The healing vapors of Catarrhazone mix with the breath and descend through the throat, down the bronchial tubes, to the deepest air cells in the lungs—all parts are saturated with the rich purity essences that ease, heal and cure.

Catarrhazone has entirely displaced the old-fashioned remedies, such as cough syrups, sprays, tablets and sedative powders. It contains none of the opium, chloral and drowsy narcotics so commonly found in liquid cough and catarrhal remedies. Couldn't Breathe—"Catarrhazone" Cured.

"No one ever contracted a more abject attack of nasal catarrh than I suffered a month ago," writes Mr. G. E. West, a well-known resident of Bridgetown, W. I. "My head ached terribly, I sneezed about every three minutes, but still my nostrils were entirely closed and I couldn't breathe through them. Ten minutes inhaling Catarrhazone gave me a little relief, so I continued to use Catarrhazone every hour, and before the day was out I had improved. Catarrhazone quickly cured me, I am well ever since."

There is no remedy so certain and safe as Catarrhazone, but being a good remedy it is limited. Beware of the substitute. Large Catarrhazone lasts two months, price \$1.00; smaller sizes 25c, and 50c. All reliable dealers, or the Catarrhazone Co., Buffalo, N. Y., and Kingston, Canada.

### What Makes You Tired

#### DR. CHASE'S KIDNEY-LIVER PILLS

You get tired. That is only natural whether you work with brain or muscle. But when you are not restored by a night's sleep there is something wrong. The process of living is something like the burning of a fire. When the nerve cells are consumed by the activity of life and work there is left in the system an ash in the form of poisonous waste matter. These poisons in the system cause pain and give rise to feelings of fatigue.

Nothing will so quickly sweep these poisons from the system as Dr. Chase's Kidney-Liver Pills. The liver is quickened in action, the bowels move regularly and the kidneys take on new vigor and activity.

The blood is purified, the waste matter which has been clogging and retarding the organs of digestion is removed. Headaches, indigestion, flatulency disappear, the appetite is sharpened, digestion improves and you feel fine in every way.

### THE WORLD'S WORK UPENS ON THE WORLD'S DIGESTION

From the captain of industry to the hod carrier—from milady in the auto to the woman with the scrubbing brush—the accomplishments of every one of us depend absolutely on the accomplishments of our stomachs. Backed by a good digestion, a man can give the best that is in him. When his stomach fails, he becomes a weakling.

To this loss of power no one need submit. Right habits of eating, drinking, sleeping and exercise, aided by Na-Dru-Co Dyspepsia Tablets, will restore and maintain the full efficiency of the human mind and body.

Na-Dru-Co Dyspepsia Tablets contain the active principles needed for the digestion of every kind of food. They go to the assistance of the weakened stomach, and enable the sufferer, right from the start, to assimilate and get the benefit of the food eaten. With this assistance, the digestive organs regain their tone, and soon the use of the tablets is no longer necessary.

If your stomach is not working properly, try Na-Dru-Co Dyspepsia Tablets, see at your druggist's, National Drug and Chemical Co. of Canada, Limited, Montreal. 148
