SUMMER CLASS IN ANCIENT HISTORY.

CLOSING COTTON
LETTER FROM
JUDSON & CO.

(J. C. MACKINTOSH & CO.)
New York, July 10.—Weather
advice indicated no rain and continued
high temperatures in the southwest
this morning but some private ad-
vice reported showers in portions of
Texas and Oklahoma. This may have
accounted for the reactionary ten-
dency of the prices at the beginning
but where one person is predicting
calamity from dry, hot weather, there
appears to be two who believe that
this sort of weather will prove high-
ly beneficial following the recent
heavy rains.

After mid-day prices hardened
somewhat under the lead of Decem-
ber. There is an impression that a
considerable short interest in the fall
months are being switched to Decem-
ber and later months, one of the res-
ults of this is the upward movement
of stocks and the likelihood of a late
crop movement. The first new bale
received at Houston today, the latest
date since 1904. The Liverpool mar-
ket will be closed tomorrow.

that the court require the Fidelity

William Thaw, to pay to Harry Thaw
the sum of thirty thousand dollars.

The petition asserts that in the last

share out of the income on the estate,
which is asserted to be this amount.

stocks justifies the verdict of experi-
enced brokers and traders that "it's
a sold-out market."

pressed by the foreign selling and by
various unfavorable developments.

garded as "mixed"—corn being bet-

EASY CHAIRS

For the den or living-room nothing will
take the place of the roomy, comfortable
lounging chair. Neither will anything
wear so well as these when upholstered in
good leather. We have just added to our
already large stock a number of new and
beautiful patterns, in very best leather ob-
tainable, and the prices are very low,
quality considered.

A Successful Business
Demands Quick Service

THE days of leisurely, go-a-
you-please methods are past.
To be successful in any line
of business today demands quick
service, prompt deliveries, foresight
and economy of time and labor.

This is the age of EFFICIENCY
—and the degree of prosperity en-
joyed by the successful business
man is proportionate
to the efficiency of his
plant and organization.

One of the most vital
factors in the success
of any manufacturing
or merchandising business is a mod-
ern Freight Elevator.

The installation of an Otis-Fensom
Freight Elevator makes available
every square foot of floor-space on
every floor of the building. It elim-
inates duplicated effort on the part
of workmen, stops business leaks,
saves time, conserves energy and
increases profits.

An Otis-Fensom Freight Elevator
may be bought for as little as \$70
—less than the cost of a good
office desk or a typewriter. It pays
for itself in the saving effected in
time and labor—in the reduction
of wear and tear on goods—in the
increased business from better sat-
isfied customers—and in the ability
to handle more busi-
ness efficiently.

An Electric Elevator
may be installed at a
moderate price, and,
in view of the abun-
dant and low cost of electric power,
will prove a sound investment.

Write today for free booklet
"Freight Elevators and Their
Uses." It will tell you about an
elevator suited to YOUR particu-
lar needs.

Don't put it off until another time
—simply fill in this coupon and
mail NOW, while the thought is
fresh in your mind.
