UNDERGOES AN
OPERATION TO FIT
HIMSELF FOR ARMY

Chatham Boy Gives Fine Ex-
ample of Patriotism—North
Shore Recruiting Has Taken
a Spurt.

Chatham, March 13.—Joseph Tob-
ban, the most seriously injured of
the three men at the recent shell fac-
tory fire, died at the Hotel Dieu hospi-
tal this morning. He was 42 years
of age and leaves a wife and family.

One of his sons is serving with the
colours.

A slight fire in the basement of the
Bank of Montreal on Friday night put
a very untidy aspect on the elegant
interior of that institution.

The fire was discovered before it got
fully started, so that the damage was
not very much, being principally from
smoke and water.

Recruits are coming in at a fair-
ly good rate now. On Friday eleven
men were added to the exhibition bar-
acks force. Five of these were se-
cured at Blackville as a result of a
recruiting meeting there, and six
came from Stanley as a result of
Major Howe's efforts. Four more
signed on today. The third son of
Archibald McEachern to join the ranks
has gone through an operation to
make himself fit and will sign on in
a few days. With the men returning
from the lumber woods, it is expected
the ranks will rapidly fill up. Several
young men from down river points
have signified their intention of en-
listing.

A recruiting meeting will be held in
Bay du Vin shortly. After the plans
of Col. Guthrie's campaign have been
imparted to our delegates recruiting
meetings will be resumed. Some new
line of strategy will probably be evolved
at the Fredericton conference.

The funeral of J. Sleeth of Douglas-
town was held to Riverside cemetery
here today. Masons and Odd Fellows
drove over and were met on returns
at the Chatham landing by the Citi-
zens' Band. There was a very large
number of sleighs in the procession.

The remains of the late Mrs. Edgar
McDonald were laid to rest in St.
Michael's cemetery on Sunday. The
deceased leaves her husband (of the
Canada Eastern Division, I. C. R.),
and two children. She was the young-
est daughter of the late Aid J. P.
Maher. There were many floral tri-
butes.

UPPER SACKVILLE

Upper Sackville, March 11.—Mr. and
Mrs. G. T. Morton were over Sunday
guests of friends in Moncton.

Colonel W. G. Bidlake of the Heavy
Siege Battery, Partridge Island, spent
part of the week as the guest of Mrs.
Edward Read, returning to St. John on
Thursday.

Mr. Frank Eastbrooks of Lynn,
Mass., arrived here on Thursday and
is spending a few days with his pa-
rents Mr. and Mrs. David Eastbrooks.

Miss Helen Smith left on Monday to
visit friends in St. John.

Mrs. C. S. Charters, who has been
the guest of Major and Mrs. J. W. S.
Black, has returned to her home in Pt.
De Chene.

Miss Ethel Burke is the guest of her
sister, Mrs. Killam, Amherst, N. S.

Mrs. W. G. Bidlake spent the week-
end at her home in Gungahaville,
West Co.

Mrs. G. T. Morton is the guest of
friends in Sussex.

Word has been received of the death
of Lynn, Mass., of Mrs. William Wall.
Mrs. Wall was formerly Miss Mary
Thompson of this place, daughter of
Mr. and Mrs. Ernest Thompson.

Major J. W. S. Black is confined to
his home by illness.

On Wednesday afternoon the regular
monthly meeting of the Baptist Wo-
men's Missionary Aid Society was held
at the home of Mrs. W. W. Langley.

HARVEY

Harvey, March 13.—On Saturday
last Mrs. Carnwath and Lewis ampu-
tated Robert Copp's foot. A short
time ago he had the misfortune to have
his leg and foot badly crushed.

The R. C. League will meet at the
home of Mrs. F. S. Reid on Wednes-
day from 2 to 5 o'clock. This league
can boast of a member who has five
brothers at the front and a sister
making shells.

Lieut. Wetmore, St. John, was the
guest of Mr. and Mrs. F. A. Snell last
Thursday.

Mrs. Eugene Brewster and daughter
Dinah, left Saturday morning for St.
John, where her husband is employed.

The friends of Rev. W. B. Crowell
held a social gathering in the Public
Hall on Friday evening and presented
him with \$25.

Geo. Bond left on Saturday morn-
ing's train for St. John.

CLIFTON

Clifton, March 13.—Miss Genevieve
Carmichael, Montreal, Miss Bessie
Carmichael, Thetford Mines, are home
for a short time.

The many friends of Mrs. Sidney
S. Carmichael will be glad to learn
that she is recovering from a severe
attack of pleurisy.

Mr. and Mrs. Gilbert Wetmore, Mr.
and Mrs. Amos Wetmore were the

guests on Sunday last of Mr. and
Mrs. Samuel White, Long Reach.

Miss Helen Bacon, New Haven, is
the guest of Mr. and Mrs. N. N. Pae-
dington.

The annual meeting of the Women's
Auxiliary was held at Mrs. D. P. Wet-
more's on Thursday last.

The monthly meeting of the Women's
Institute will be held at the home
of the president, Mrs. A. G. Brien,
on Tuesday, March 14th. This insti-
tution has placed a very hand-
some piano in the public hall. Much
credit is due the ladies of this com-
munity.

The Kingston Agricultural Society
held a "farmers' social" in the hall on
Tuesday last. Owing to the disagree-
able weather the attendance was not
large.

IF SLEEPLESS AND NERVOUS
YOUR HEALTH WILL SOON GO.

Two horrors crowded into one life
—the product of poor digestion and a
poisoned system. There is just one
cure for this terrible condition—plenty
of food—but mind you, food properly
digested; that's the difficulty, to im-
prove the digestive power of the
stomach. Get rich nutritious blood,
strengthen the system and drive out
poisons—then comes vitality, endur-
ance, power. Ferrozene does all this
and more, it makes sick people well,
weak people strong, changes "nerves"
and insomniacs into robust health. Take
Ferrozene and health is yours. 50c.

GREENWICH

Greenwich Hill, March 11.—Mr. and
Mrs. R. W. S. Sandford, who came
from England and located here, about
two years ago, expect to leave this
vicinity in the course of a few days.

Mr. Sandford having enlisted for over-
seas service. Mrs. Sandford is to visit
relatives in England for a short time
then she expects to take up hospital
work in connection with the Red
Cross. Mr. and Mrs. Sandford have
made many friends while here who
will miss them very much, but all join
in wishing them every success in their
chosen work.

WHY HAIR FALLS OUT

Dandruff causes a feverish irrita-
tion of the scalp, the hair roots shrink,
loosen and then the hair comes out
fast. To stop falling hair at once and
rid the scalp of every particle of dan-
druff, get a 25-cent bottle of Dander-
ine at any drug store, pour a little in
your hand and rub well into the scalp.
After a few applications all dandruff
disappears and the hair stops coming
out.

CREAM FOR CATARRH
OPENS UP NOSTRILS

Tells How to Get Quick Relief
from Head-Colds. Quick Relief!

In one minute your clogged nostrils
will open, the air passages of your
head will clear and you can breathe
freely. No more hawking, sneezing,
blowing, headache, dizziness. No strug-
gling for breath at night; your cold
or catarrh will be gone.

Get a small bottle of Ely's Cream
Balm from your druggist now. Apply
a little of this fragrant, antiseptic,
healing cream in your nostrils. It
penetrates through every air passage
of the head, soothes the inflamed or
swollen mucous membrane and relief
comes instantly.

It's just fine. Don't stay stuffed-up
with a cold or nasty catarrh—Relief
comes so quickly.

Hair Often Ruined
By Washing With Soap

Soap should be used very carefully,
if you want to keep your hair looking
its best. Most soaps and prepared
shampoos contain too much alkali.
This dries the scalp, makes the hair
brittle, and ruins it.

The best thing for steady use is just
ordinary muffled coconut oil (which
is pure and greaseless), and is better
than the most expensive soap or any
thing else you can use.

One or two teaspoonfuls will cleanse
the hair and scalp thoroughly. Simply
moisten the hair with water and rub it
in. It makes an abundance of rich,
creamy lather, which rinses out easily,
removing every particle of dust, dirt,
dandruff and excessive oil. The hair
dries quickly and evenly, and it leaves
the scalp soft, and the hair fine and
silkly, bright, lustrous, fluffy and easy
to manage.

You can get muffled coconut oil at
any pharmacy. It's very cheap, and
as a few ounces will supply every mem-
ber of the family for months.

How Any Woman Can
Remove Hairy Growths

(Beauty Culture)

It is no longer necessary for a
woman to visit a beauty specialist to
have superfluous hairs removed, for,
with the aid of a plain delatone paste,
she can, in the privacy of her own
home, remove even a stubborn growth
in a very few minutes. The paste is
made by mixing some water with a
little powdered delatone. This is ap-
plied to the hairs and after two or
three minutes removed and the skin
washed, when it will be left clear and
hairless. Be sure you buy real delatone.

MONCTON TIMES

MEN DON THE KHAKI

The Standard, eighteen former em-
ployees of which have enlisted in the
khaki-clad host, is not the only patri-
otic newspaper. The Moncton Times
staff has done splendidly. The latest
Times man to enlist is Ronald Blak-
ney, linotype operator, who has joined
the 115th in this city.

Pte. Blakney is a son of Sherman
Blakney, of Sunny Brae. A peculiar
coincidence in connection with the
115th is that the only Moncton men
who have joined this battalion were
all employees of the Times Printing
Company. Lieut. O. B. Weldon, who
is a platoon commander with the
115th, was a member of the editorial
staff; Lance Corporal George Jones,
who was recently given a stripe, was
a monoline operator with the Times
some time ago; and Pte. Lavole, the
other Moncton man with this bat-
tal-

THIS IS THE LAST DAY
On Which Puzzle Answers Will be Received
You Still Have a Chance to Win
One of These Big Money Prizes

All solutions received
by The Standard up
till midnight will be
accepted in this con-
test.

Results will be an-
nounced as soon as
they can be tabulated--
perhaps on Thursday
morning.

ARRANGE THE NUMBERS

From one to twenty-five, in these blank spaces, so that the totals of
each column, up and down, and from left to right, will be the same.

Amount of the prize you win will depend on the amount sent with your solution

HOW TO ENTER

The contest is open to any person residing in the Maritime
Provinces. The payment on subscription to The Standard (daily
or semi-weekly) of from \$1.00 to \$5.00 entitles the contestant to
submit a solution of the puzzle and the amount of money so paid
will be credited in full according to the scale given elsewhere in
this announcement. As many different solutions may be submitted
as the contestant desires. It is necessary to make an additional
payment with each one, but no amount higher than \$5.00 will be
accepted with any one solution. It is not necessary to pay the
same amount with each solution if more than one is submitted.
Remit by cheque, money order, postal note, express order, or if cash
is enclosed be sure to register the letter. Solutions not accompa-
nied by cash will not be considered. This contest is open to both
old and new subscribers, and will close on Wednesday, March
15th. If a second puzzle is necessary, it will appear immediately
thereafter.

USE THE COUPON.

Always use the solution coupon and read it carefully before
filling out. Write your name and address plainly. The payment
of from \$1.00 to \$5.00 on your subscription allows you one solution.
Remember the larger the amount you pay on your subscription the
larger will be your dividends should you win one of the prizes.
You can for \$5.00 have six solutions at \$1.00 each if you wish, but
one solution with \$5.00 paid on it will mean a much larger prize
should you win.

THE PRIZE LIST

For the correct solution of this puzzle The Standard offers the
following prizes:

First Prize—Twenty-five times the amount of money sent in by the
winner.

Second Prize—Fifteen times the amount of money sent in by the
winner.

Third Prize—Ten times the amount of money sent in by the winner.
Fourth Prize—Five times the amount of money sent in by the winner.

The first prize can thus be \$125.00, the second \$80.00, the third
\$50.00, and the fourth \$25.00. In addition to this there will be
given eleven prizes of \$5.00 each, irrespective of the amounts sent in
by the winners.

The prize list thus works out as follows:

Amount sent in

Prizes will be

1st 2nd 3rd 4th

If the competitor sends in \$1.00 \$25.00 \$15.00 \$10.00 \$5.00

If the competitor sends in \$2.00 50.00 30.00 20.00 10.00

If the competitor sends in \$3.00 75.00 45.00 30.00 15.00

If the competitor sends in \$4.00 100.00 60.00 40.00 20.00

If the competitor sends in \$5.00 125.00 75.00 50.00 25.00

If the competitor sends in \$5.00 150.00 90.00 60.00 30.00

THE PUZZLE

The problem is to arrange the num-
bers from one to twenty-five in the
above squares in such a manner that
the figures will total the same in each
column up and down and in each row
from left to right. No number may be
used twice, but every number from
one to twenty-five must be used. Here-
with is shown the numbers from one to
nine arranged in a smaller square in
the manner desired. It will be seen
that these figures add up to fifteen in
each column up and down and in each
row from left to right. The larger
puzzle must be solved after the same
style. The explanation of what is
required. There is no trick or catch
in the matter.

DECIDING TIES.

This contest is conducted by The
Standard merely for the purpose of
securing new subscriptions and mak-
ing collections on renewals. At the
same time it offers to new and old
subscribers an opportunity by which
they may earn generous sums of mon-
ey. There will no doubt be a number
of correct answers—perhaps a large
number. If it should happen that more
persons reach a correct answer than
there are prizes offered, a second prize
will be given for the purpose of
deciding ties. No one who fails to
solve this first puzzle will be per-
mitted to enter such second puzzle. If
it becomes necessary to put a second
one on, in the event of there being
fewer correct solutions of the first
puzzle than there are prizes offered,
then the prizes will be awarded in the
order in which these correct solutions
reach The Standard office.

SPECIAL NOTICE

Whatever amount of money is sent in will be credited on one
continuous subscription to The Standard according to the scale
given below, unless otherwise requested by the competitor. Com-
petitors must enclose with their solutions, one, two, three, four,
five or six dollars, whatever amount they please up to six dollars,
but not less than one dollar and will receive credit as follows:

DAILY	
\$1.00 City Subscription	2 months
\$2.00 " "	4 months
\$3.00 " "	6 months
\$4.00 " "	8 months
\$5.00 " "	1 year
SEMI-WEEKLY	
\$1.00 Subscription by mail	1 year
\$2.00 " "	2 years
\$3.00 " "	3 years

All amounts higher than \$3.00 will be applied on subscription
to the Daily Standard.

No solutions will be accepted unless accompanied by payment
on account of new or renewal subscriptions. Nor will any solu-
tions be accepted unless the coupon, which must accompany the
solution, is filled in as required. Contestants who send in the solu-
tion and forget to enclose the money must repeat their solution in
the later letter in which the money is enclosed.

SOLUTION COUPON

Cut out this coupon smoothly around the border and send it in as
soon as possible with solution and money attached, to,
