To Relieve Catarrhal

Deafness and Head

Noises

If you have Catarrhal Deafness or
hard of hearing or have head
noises, go to your druggist and get
a box of Parment (double strength),
and add to it 1/4 pint of hot water and
a little granulated sugar. Take one
tablespoonful four times a day.
This will often bring quick relief
from the distressing head noises.
Closed eardrums should open, breath-
ing become easy and the mucus stop
dropping into the throat. It is easy
to prepare, costs little and is pleasant
to take. Anyone who has Catarrhal
Deafness or head noises should give
this prescription a trial.
