

President, and Bible instruction given by Mr. James Farquhar, a time-honoured friend of the Institution.

Addresses have been given each week by the clergymen of the various denominations, these services being greatly aided by the singing of "The King's Daughter." Miss A. Merlin has also kindly assisted at the services.

Several of these girls have been sent to the country as servants. Only those who have given satisfaction during their stay in the Home are recommended, unless the applicant understands the case, and is willing to assist in the reformatations.

The committee would express their thanks to the friends who have so kindly rendered assistance to the Home in the way of contributions of clothing, money, &c., and to all who have shown their interest in this work.

The committee would express their thanks to Dr. Cowie, for his gratuitous professional services during this and past years.

It is with sorrow we record the death of Miss Mary Starr, a valued member of the committee, and its former chairwoman.

In closing this report, let us assure you that although the difficulties of such a work are great, and the discouragements many, we enter upon the new year with fresh courage, knowing that He in whose name the work is done, is sure to seal it with success.

C. M. STARR,

*Sec'y "Women's Home."*
