

**THE
COLLEGIATE
COURSE****EMBRACING JUNIOR
AND SENIOR
MATRICULATION**

Comprises the Preparatory Department, First, Second and Third Years. It embraces both Junior and Senior Matriculation in Toronto or Victoria University, with honors in all departments. The First Year's Course is so arranged that students can secure both the Collegiate I. Certificate of the College and the Primary Teacher's Certificate upon one year's work. The Second Year's Course is exactly the same as Junior Matriculation, and the certificate of the year is accepted by the Conferences of the Methodist Church as equivalent to the Conference Preliminary Examination prescribed for candidates. Persons desiring a clear certificate for registration before the College of Physicians and Surgeons of Ontario, etc., are required to write on the Regular Departmental Examinations, held each year in the College Buildings. All others are recommended to write on the Collegiate Course. The examinations of these years are conducted by the Senate of the College, and are held in the month of June. Successful candidates are awarded certificates at the Annual College Convocation. The Third year of the Collegiate Course is exactly the same as the first year in Arts of the University, and embraces both the pass and honor work of that year in all departments. The examination is conducted by the Senate of Toronto University, and is held in the College Building, commencing on the Second Tuesday in June, and successful candidates secure both the Diploma of Graduation of the College and first year standing upon the Arts Course at the University. In June, 1894, the first class of six candidates wrote upon this examination, and all were successful, two of whom made first-class honors. In 1895 eleven candidates wrote, ten of whom were successful, and two secured honors. This splendid record is due to the fact of a longer College year and the close contact of teacher and student in class-room grind. In 1896 seven out of nine candidates were successful, and at the examination just closed five candidates wrote and all were successful.

Several of the successful candidates have held Senior Leaving Standing, and because of the facilities afforded in preparing the different languages required for Senior Matriculation, have taken up their work at Albert College in preference to going to the University.
