Woodland Farm, Wednesday Morning

Dear Jane,
At last I've found a moment to
answer your very welcome letter.

That's as far as I got, when I
heard a terrible noise in the kitchen,
and rushing in, found that Bobby had
pulled a pan of boiling water off the
stove and scalded himself badly. Just
imagine!—and I ten miles from the
nearest doctor and no one here to help!
Thank goodness Tom has always in-
sisted upon keeping Zam-Buk in the
house. The poor little chap was in
such awful pain it was all I could do
to hold him while I plastered the Zam-
Buk on his arm and leg. Then I bound
them up with strips torn from an old
sheet, and now he's actually asleep!
Could you believe it? I always knew
Zam-Buk was good stuff, but I'd no
idea it was so wonderful for ending
pain. Whatever should I have done
without it!

This started out to be a letter,
but it sounds more like a testimonial
for Zam-Buk! I'll send it off anyway,
because I want to ask if you'll please
send me half a dozen boxes of Zam-
Buk as soon as you get this, as I have
only enough for one more dressing.

Yours in haste,
Mary

Mothers! Take the hint! Never be without a box of Zam-
Buk on the shelf. Not only for sores, burns and cuts, but for
eczema, ringworm, ulcers, blood-poisoning, piles, cold sores, etc.
It is without equal. And it costs no more than ordinary
ointments. 50c box, all dealers.

Let the picture above remind you that the
real cake of Gold Soap is big. It is not
only the best quality of laundry soap you
can buy, but it is the largest cake offered
for the money. Five cakes of Gold Soap
are as large, and last as long as six cakes
of the next largest size. Isn't that ad-
vantage worth the trouble of saying to
your grocer, "I prefer Gold Soap?"

showing a record of consistent savings.
A Savings Account may be opened with
