

# HOME EVIDENCE IN FAVOR OF THE PAIN-KILLER.

### Hint No. 1.

If you wish to save yourself, your family, and your friends a world of suffering and pain, which at present they endure needlessly, and also save many dollars in Doctor's bills, go at once to the nearest store, and buy a few bottles of PAIN-KILLER.

### Hint No. 2.

Ask your Druggist, Grocer or Shopkeeper, for a bottle of PAIN-KILLER. If he passes it down without ceremony, ask him while extracting the quarter dollar from your wallet, if this is the genuine made by PERRY DAVIS & SON, at some time watch the expression on his face. You will surely see of his conviction to all right; also examine the bottle closely yourself.

### Hint No. 3.

When you ask for a bottle of PAIN-KILLER, and the gentleman stores it, without examining it, and you have steadily well, and I have gained from several others, and all have obtained relief. I have obtained relief from Fortmouth Co.'s Mills.

### Hint No. 4.

Beware of all the worthless mixtures, and dirty, gross combinations which are offered you in almost every store you enter, and which some unprincipled shop-keepers try to palm off as a substitute for the PAIN-KILLER. These mixtures are gotten up expressly to sell on the reputation of the PAIN-KILLER, but have nothing in common with it.

WHY experiment with unknown mixtures without character or reputation, when this world-renowned PAIN-KILLER which has stood the test of over 40 years, can be had for the same price at any Drug Store in the Dominion?

### READ THE FOLLOWING.

OTTAWA, ONT., March 5, 1880.  
The writer has been selling Perry Davis' Pain-Killer for the last 22 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrhoea, Sore Throat, Chronic Cough, Bronchitis, Burns, Scalds, &c. I have known it to cure a case of Syphilitic Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle.

MATILAND, ONT., February 25, 1880.  
I have much pleasure in adding to the number of the numerous testimonials you have already received, as to the value of your renowned Pain-Killer. I have sold it and used it in my family for twenty years or more, and have no hesitation in saying that it is the best patent medicine I have ever used for the purposes for which it is recommended; and, moreover, every person to whom I have ever sold it, has been perfectly satisfied with it, and I know many persons who will not go to bed at night unless they are sure there is a bottle of "Perry Davis' Pain-Killer" in the house. All who have used it once, will use it again; it makes friends and retains them.

SPRINGVILLE, ONT., February 25, 1880.  
We have much pleasure in certifying that we have kept Perry Davis' Pain-Killer constantly in stock for upwards of twenty years, during which time it has taken the lead in sales over all other patent medicines, and has become an indispensable household article. No effort is required now on our part to sell it, as it is as simple an article as flour in our trade.

MADOC, ONT., February 25, 1880.  
It gives me much pleasure to state that during a drug career of more than a quarter century, I can testify that your justly celebrated Pain-Killer has not only held its own as a family medicine, but will overcome the fiercest of the fever, the cholera, the dysentery, and such like, and I could not say so without some of the most reliable showing up its merits and intrinsic worth, were it necessary. I think it is one of the best, however, called "Expeller Pain-Killer." I pride myself in getting better out of it.

STOON, ONT., February 27, 1880.  
We have great pleasure to state that the Pain-Killer holds its position in this place as the old, reliable family medicine. Although there are a great many other medicines in the market, some bearing nearly the same name as Perry Davis' Pain-Killer, Pain Destroyer, and such like names, we find that people know the difference, and are sure to ask for Perry Davis' Pain-Killer. We have been selling Perry Davis' Pain-Killer for the last fourteen years.

PORTLAND, ONT., March 5, 1880.  
I have been using the Pain-Killer for many years with results that justify entire satisfaction. As a family medicine, we consider it almost indispensable; being good not only as a pain-killer, but for colds and sore throats, and many other ailments for which it appears specially adapted. I have used it myself, chiefly as a liniment, and find it valuable for rheumatism and neuralgia, and affords relief to old age. I pronounce the Pain-Killer a good and cheap medicine, and worthy of all acceptance, and send you this certificate that you may assure the public that it is no humbug.

ESCOTT, ONT., March 4, 1880.  
We hereby certify that we have used Perry Davis' Pain-Killer in our families for several years. We consider it a very useful and necessary article to be kept in all households as a resort in case of accidents and exposure to attack occasioned by cold.

MATILAND, ONT., February 25, 1880.  
I have used your Pain-Killer for 15 years, and I can say that I think it is the best remedy in the world for which it is recommended.

PORTLAND, ONT., February 25, 1880.  
I have sold the Perry Davis' Pain-Killer for over thirty years, and the same has always given my customers entire satisfaction, and I have much pleasure in recommending it as a good and reliable family medicine.

COBURG, ONT., March 3, 1880.  
I have been selling Perry Davis' Pain-Killer for the past six years, and have much pleasure in stating that it is safe in that time has been larger than other patent medicines that I have used, and in those years I have never had a customer say aught but words of the highest praise in its favor. It is an article that seems to have combined in it all that goes to make a first class family medicine, and as long as I have a house and store, Perry Davis' Pain-Killer will be found in both.

MADOC, ONT., February 25, 1880.  
Your Pain-Killer as a family medicine has been in constant use in my household for a long time, and I can say that it is a better one than I ever had. I call it the "Old Reliable."

TANWORTH, ONT., March 4, 1880.  
For twenty-three years past I have sold Perry Davis' Pain-Killer, and have always found it to give good satisfaction. I have frequently used it in my family, and received great benefit from the use of it in that way. Although many imitations of it have been put on the market, and are pushed hard, yet the old, reliable Perry Davis' Pain-Killer holds its own, and is a very popular domestic medicine.

**McCALLUM'S**  
**COMPOUND GENTIAN & TARAXICUM**  
Blood and Liver Bitters.

This valuable preparation combines all the medicinal virtues of those articles which the leading Physicians and Chemists of the day have proved to possess the most safe and efficient alternative properties for the cure of Liver Complaint, Dyspepsia, Indigestion, Kidney Complaint, Costiveness, Piles, General Debility, Loss of Appetite, Faintness of the Stomach, Pains in the Side and Back, Soreness, Ulcers, Mercurial affections, and all diseases originating from impure Blood and diseased Liver and Stomach.

TESTIMONIAL.  
We have seen and used in our practice the prescription for McCallum's Compound Gentian and Taraxicum Bitters, and can recommend them as a good tonic and alternative, which may safely be used as a family medicine in cases of illness arising from sluggish liver and impurities of the blood.

Put up in boxes, sufficient to make Two Quarts of Bitters, which will be sent by mail to any address on receipt of \$1. Directions for making are enclosed in each box.

Notice.—It is claimed that these Bitters are superior to anything before offered the public, for the reason that they are made from a prescription recognized by nearly all Physicians to be one of the best known purifiers of the blood; and, that the Bitters usually offered the public are composed mostly of cheap whiskey, while the Gentian and Taraxicum Blood and Liver Bitters are composed of roots and plants most used by Physicians in their practice, and can be made by any person (see directions accompanying each box) and only enough spirits added to keep them from spoiling.
