

Fixed points of reference for latitude, longitude and level to be established.

IV. For the purpose of attaining an accurate basis from which the geological and topographical features of the country may be ascertained, and for the purpose of connecting together local and partial surveys, it shall be the duty of the Director of the Geological Survey to cause permanent marks in some public buildings, or other marks of a durable description, to be made at several convenient stations in the Province, and to fix accurately the latitude and longitude and relative levels thereof, as points of reference. 5

Plans and sections of Railways, &c., to be furnished.

V. All Railway and Canal Companies hereafter to be incorporated shall be required to furnish to the Geological Survey, without charge, certified copies of all plans and sections of their Surveys; and all such Companies already incorporated, shall furnish such plans and sections of their Surveys upon the demand of the Director of the Geological Survey, and at the cost of the same. 10 15

Yearly Report to be made.

VI. The Director of the Geological Survey shall make a report to the Governor of this Province, on or before the first day of March in each year, shewing, generally, the progress made in the Survey. 20

Accounting clause.

VII. The due application of the moneys hereby appropriated shall be accounted for to Her Majesty, Her Heirs and Successors, in the manner provided by the Interpretation Act, and an account thereof shall be laid before the Provincial Legislature at the next Session thereof. 25
