#### FROM THE AUXILIARIES.

SILAM.—The Grove Ladies' Auxiliary, in connection with the Grove Church, on the Silam Circuit, has been organized about two and a half years, and has now seventeen members. We hold our meetings the second Thursday in each month, and have a very fair average attendance, although sometimes we feel discouraged; but when we remember the words, "Be not weary in well-doing," it cheers us, although it seems so little we can do. Our financial results last year were not much in advance of the previous; but we hope, by the end of this year, to far surpass that of either of the former. In March we had a literary entertainment, and realized a nice sum, considering the night and roads were not very favorable. So far this year we have received two very generous and kind donations; and we are hoping and praying that the good cause may soon deeply interest, not only a few, but all of the community, and they may join us in helping to send the "glad tidings" to our heathen sisters. We have eight subscribers to the OUTLOOK, and all seem to enjoy reading our little missionary paper.

BOOKTON CIRCUIT.—I have the pleasure of informing you that Mrs. Wessmore was with us on May 2nd, for the purpose of organizing a Woman's Missionary Society at this place, and met with grand success. Organized one consisting of twenty members. Officers as follows:—President, Mrs. Robert Kelly; Vice-President, Mrs. Elisha Kelly; Recording Secretary, Mrs. Wesley Kelly; Corresponding Secretary, Mrs. William Jull; Treasurer, Mrs. John Cooper; and expect our members to increase rapidly. Yours in Christ,

MRS. W. JULL, *Cor. Sec.*

FOXBORO'.—A public meeting in the interest of the W. M. S. was held a few weeks ago, addressed by Mrs. Levi Massey, of Wallbridge, who gave an able discourse, which was highly appreciated and which awakened greater sympathy in woman's work in missions. At the close eleven new names were given as members of the auxiliary. On April 23, a Mission Band was organized by Mrs. A. C. Maybee, with a membership of fourteen (and more to follow), with the

title of "Gleaners for the Master." President, M. A. Maybee; Vice-President, Emma Wickett; Recording Secretary, Mary Pitman; Treasurer, Estey Ashley; Corresponding Secretary, Della Demorest.

MRS. A. C. MAYBEE, *Cor. Sec.*

BAIE VERTE, N.B.—It may be interesting to the readers of the OUTLOOK to learn that, on 19th April, an inaugural meeting in connection with the Woman's Missionary Society was held in the Methodist Church, Baie Verte, Rev. S. T. Teed presiding. There were present, Miss Palmer, of St. John, Corresponding Secretary of the N. B. and P. E. I. Branch; Mrs. Edward Ogden and Mrs. Josiah Wood, of the Sackville Auxiliary. After devotional exercises, Mr. Teed introduced the speaker of the evening, Miss Palmer, who, for fifty minutes held, with absorbing interest, the attention of her large audience, while she graphically described their field of missionary labors, notably the benighted thralldom of heathen women. The inciting influence of the address was displayed by the eager enthusiasm with which an auxiliary was then organized, nineteen members being enrolled, and the following ladies elected to office:—President, Mrs. Bedford Harper; Vice-Presidents, Mrs. Wm. Prescott and Mrs. B. Atkinson; Recording Secretary, Mrs. Magee; Corresponding Secretary, Mrs. Chipman Chappell; Treasurer, Mrs. Dr. Black.

SACKVILLE, N.B.—The Sackville Auxiliary has been making some progress during the year. At present there are twenty-three annual members and one life member. The interest in missionary work is steadily increasing, and this is in a great measure due to the monthly letters received from the different fields. Last December a Mission Band—Ready Helpers—was formed, and already there are more than twenty members. In order to increase the funds, orders for sewing, knitting, etc., were taken, and, so far, there has been no lack of work for *ready hands*. The Society hopes to at least double the amount raised last year. In April the annual public meeting was held, and the exercises consisted of recitations, a missionary discussion, a paper on Indian work, and an address by Miss Palmer, *Cor. Sec.* of N. B. and P. E. I. Branch. Of the latter too much praise cannot be said. Every woman's heart must secretly have been stirred up to prompt her to do more for the Master's cause after listening to her thrilling words. Our branch is deeply indebted to Miss Palmer for her untiring efforts during the year. Already the number of auxiliaries is more than double that of last year, and many of the new ones are in large and influential towns, and of them much is to be hoped. Sackville is to have the privilege of
