

Chaplain's Wounded Soldiers' Fund

By Capt. E. Bertram Hooper, (Chaplain)

"Since last week's statement—Yarrow and its annexes—has each had a char-a-banc drive and tea at Minster. Two of the three parties were entertained by Mrs. Robbins, mine hostess of the Bell Inn, Minster, to a splendid feast of strawberries. We are much indebted to Mrs. Robbins. We were able to provide the third party with the same delicious fruit. I don't think that strawberries are on the Menu at any of the hospitals. At all events I can testify to the thorough enjoyment of the berries by all, including the driver and myself. Since May 1st, my Fund has been added to as follows:—

Previously acknowledged	£83	0	8
Sister M. H. Walmer Hosp.	3	0	0
Sub-Lieut. J. H. Kimball, R.N.V.R.	2	0	0
Sergt. S. of the Yarrow staff	0	10	0
Capt. H. officer Patient at Granville	1	0	0

I am sincerely grateful for these gifts. Let no one think I am getting too much help in this beneficial work. The monthly expenses are some £50.

The song of Miss Dorothy Warne and Sergt. Crowe, "The Immortal Kitchener," will soon be on sale—Let me remind my readers that every copy purchased will add something to my "Fund" in-as-much as the entire royalty on the first 2,500 copies will go to the "Chaplain's Wounded Soldiers' Fund." THE PADRE.
