## The Internationalism of AIESEC

This past Monday a fare was sent by a Soviet Aiesec Local Committee from Moscow. They requested some information about AIESEC at UNB and what kind of projects we undertake, # of members, and how they are interested in starting a relationship with us. (sounds very romantic, doesn't it?)

On a further note AIESEC UNB will be approaching Costa Rica and Venice for establishing close ties (drop by the office for details)

Our trainee from Holland, Lucas Herman, went back home this week after a "very exciting time" in Canada. One member of our local will be flying to Australia this month to spend an entire year there. (Life is tough, isn't it?) Shawn from Malaysia says hi to all AIESECERS as well.

Also, nominations have opened for the positions of V.P. Human Resources, V.P. Special Projects, V.P. Communication and V.P. Finance. members interested, feel free to drop by our office to take a look at the job descriptions.

### IMPORTANT NOTICE

AIESEC UNB's co-ed volleyball team challenges the Business Society to a game, if they have the guts. This time it's for real!!!
