Resu-Card™

Opportunity is unpredictable. Tomorrow, you could meet someone in a position to hire. He might ask you to send your resu-Card.

By the time he receives it, the vacancy has been filled... by a chap named "Everest Keene," who carries his *Resu-Card™* with him everywhere. He uses it as a business card, in networking; attaches it to his covering letter; and uses it as a memory aid before his interview.

Slightly larger than a business card, the pocket-size *Resu-Card™* contains up to 1/3 page of information per side. It is convenient, not only for you but for your prospective employer. It is practical, versatile, unobtrusive, original and highly personal. It's also *eye-catching* and inexpensive.

No serious job-seeker can afford to be without one.

The *Resu-Card™* has been field-tested, and it works: it gets interviews; it gets jobs! *Resu-Card™* was created by a York graduate, MA (psych.), who specializes in writing RESUMES for social, educational, and governmental service occupations (9 am to 9

pm, seven days) 665-3927
