

Sir

Kingston 8th September 1813

Mr Michael Coyle has in charge
a quantity of Indian Stores and Militia
Clothing, which were destined for the Post,
but the Excellency the Commander of the Forces
has ordered them to be sent to Gen^l Procter.
Coyle will deliver you an Invoice of them,
which you will have the goodness to receipt,
and return to him. Every thing is done here
in much hurry and confusion, that I do not wish
to send to them these goods as to be adopted.
The New Indian Presents are cleared at
Montreal, so that you may expect your
supply pretty soon. I am Sir

Yours Obedt and Devt
Jas^d John Ferguson

The Honorable
Colonel Claus
