Ottawa, March 11th, 1932.

Dear Mr. Clarke:-

I have your letter of the 7th instant.

If circumstances were such that I could take an interest in St. Marys Golf Club I would gladly do so. It would of course be impossible for me to ever use it, and I may say as well that I have dropped out of my own club in Toronto. It would, therefore, hardly seem reasonable to expect me to invest in the Club at St. Marys under the circumstances.

I am sorry, indeed, not to be able to write you a more favorable reply.

Yours truly,

Arthur Meighen,

W.R. Clarke, Esq.,  
President, St. Marys Golf Club Limited,  
St. Marys, Ont.
