Rev Sir,

I beg to enclose for your signature the Lease of "Vlaunt No 9" prepared in duplicate in your favor and for which you hold an assignment from George Richardson. A new Lease has been made in your name as the former one to Geo. Richardson is invalid, not having been fully executed.

Please return the enclosed duplicate Lease to the office as soon as it shall have been signed by you, before a subscribing witness, so that it may be finally executed by the Asst. General of Indian Affairs.

Yours,

Rev James Allen
