

26th March 6

Sir,

Referring to your Land Return
for the past month, and to the Sale Return
of the Water Lot in front of Lot 30 Campbell
Street. I have to inform you that
Official letter you gave as your authority
for making the Sale, of date 26th April
1882 authorized you only to sell 66 feet
on the East Side of the lot not the whole
Water front as you have done. The Depart-
ment cannot sanction the sale made
by you as it is the standing rule of
the Department to allow the owner of the
lot the first chance of purchasing the
water front, however it has been decided
