

The medicine supplied to the
 Indians by Dr. [Name], if given
 with the prescription of the Doctor, should
 be retained by the Doctor and
 the number of the prescriptions
 given in each case, but if not
 supplied to the Doctor's prescriptions
 the kind and quantity of the medicine
 supplied should be stated in
 the account.

and Dr. [Name] must specify the
 attendance in each case, and
 what reasons should be required
 to supply him with similar
 medicine for other purposes.
 In cases where Dr. [Name] is
 known that he is a family
 physician, as in the case of
 [Name] the usual charge for
 attendance
