Ottawa, 8th February 1919.

Sir,-

A petition has been received from fifty-four residents at and near Highvale, Keephills and Burtonville, for permission to construct a road in the Alexis Indian reserve No.133-A leading to Duffield, as shown on the plan herewith in red. Be good enough to examine into this matter and especially obtain the views of the Indians, also report your own views. You will remember that permission has already been granted for the construction of a road across the same reserve on the projected line between Ranges 3 and 4, W.5.M. A copy of the said petition is enclosed herewith.

Your obedient servant,

Geo.H.Race Esq., Assistant Deputy and Secretary.
Indian Agent,
Edmonton, Alberta.
