Judge Advocate:

- Q. In your work in connection with the Stanley case. I want you to tell the Court your evidence from the time you were called in by the Unit up to the point of the search:  
A. I met CQMS Naylor in Bordon at about 1800 hours. He told me then that CSM Weir was out looking for one of his men and we would wait till they came back. He came back and said he couldn't find the man. We then got into my car and went to Standfers Hill. In the car were Naylor, Weir, Atkinson and myself. Atkinson went to the house of a girl friend of Stanley's and asked if Stanley was there. We found him when he got off a bus. I called him over to the car and asked him if he would accompany us back to the Unit as we had something we wanted to ask him. He said he would and we went back to the Unit and went into the office of the CQMS. We arrived back between 1850 and 1900 hours. The L/Cpl
