Dear Reader:

We are pleased to present you with this complimentary copy of *International Perspectives*.

Based on the many responses to our enquiries and our need to secure a broader readership, the format and presentation of *International Perspectives* has been updated.

Keeping up with major events and changes in world affairs together with Canada's growing participation on international issues has made it necessary to increase the publishing frequency of *International Perspectives* to 12 times annually beginning January 1990.

In addition, we have added writers specializing in various political, economic, and financial fields to our present list of contributors.

Subscription rates are \$70.00 for 1 year; \$110.00 for 2 years; \$145.00 for 3 years. To receive upcoming issues of *International Perspectives* please fill out the order form below and return it without delay in the enclosed envelope.
