

## LETTER OF TRANSMITTAL

---

To the Citizens of Toronto :

In connection with a study which is being made by the Citizens' Research Institute of Canada of Juvenile Court Work in Canada, the Bureau has been surveying, in some detail, the work of the Toronto Juvenile Court. The Bureau understands that some action is now contemplated in connection with the Detention Home for Juvenile Delinquents in Toronto and, therefore, feels that the facts obtained in this connection should be given to the citizens without delay.

A short summary of the work and organization of the Toronto Juvenile Court and the relation of the Detention Home thereto is presented herewith.

Respectfully submitted,

**BUREAU OF MUNICIPAL RESEARCH**

JOSEPH E. HOWES,  
Chief of Survey.

HORACE L. BRITTAIN,  
Managing Director.
