TENDERS

FOR

Pumping Plant

Sealed, separate or bulk tenders addressed to the Clerk, Town of Wiarton, will be received up to 5 p. m. of MONDAY, AUGUST 31ST, 1903, for the supply and construction of the following:

1. One Compound Duplex Pumping Engine, capacity 720,000 gals. per day.
2. Two 70 Horsepower steel boilers, 12 x 66.
3. 3,000 feet of 10" and 3,200 feet of 8" water pipe and specials.
4. The construction of One Cement Concrete Reservoir, capacity 260,000 gals.
5. The construction of One Power House of stone, galvanized iron roof.
6. The laying of 3,000 feet of 10" and 3,200 feet of 8" water pipe.

An accepted bank cheque payable to the order of the Treasurer, Town of Wiarton, for five per cent. of the contract price must accompany each tender, the same to be forfeited if the tenderer declines the contract or fails in the performance thereof, and will be returned in case of non-acceptance.

Plans and specifications may be seen at the Clerk's Office.

The lowest or any tender not necessarily accepted.

W. J. FERGUSON,
Clerk of Wiarton,
Warton, Ont.

R. McDOWALL, C. E.,
Town Engineer, Owen Sound.

The assignment is reported of George Wilson & Company, builders and lumber dealers, St. Catharines, Ont., with large liabilities. The cause of the failure is believed to be the loss sustained recently by fire in their lumber yards.
