

## You Can Test The Kidneys

And Find Out if You Require  
the Assistance of Dr.  
Chase's Kidney-Liver Pills.

Put some urine in a bottle or tumbler and let it stand for twenty-four hours. If there is a sediment at the bottom at the end of that time, or if it is discolored, milky, cloudy or stringy, your kidneys are out of order and not doing their work properly.

Because of their direct and specific action on the kidneys, Dr. Chase's Kidney-Liver Pills bring prompt relief and lasting cure for all derangements of these filtering organs. One pill a dose, 25 cents a box, at all dealers, or Edman-son, Bates & Co., Toronto.

To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous recipe-book author, are on every box of his remedies. om

### GOSSIP.

#### ST. LOUIS WORLD'S FAIR NOTES.

F. D. Coburn, Chief of the Department of Live Stock of the Louisiana Purchase Exposition, has arranged for a total of over 26,000 prizes in the classifications for horses, cattle, sheep, swine, poultry, etc., for the World's Fair shows next year. These are unprecedented in amount, and are divided among twelve breeds of beef and dual-purpose cattle, with 2,352 prizes; four breeds of dairy cattle, 560 prizes; nineteen breeds of horses, 3,458 prizes; eleven breeds of swine, 2,772 prizes; fourteen breeds of sheep, 2,548 prizes; 375 varieties of poultry and pigeons, 10,300 prizes; fifty-seven breeds of dogs, 2,604 prizes. There are thirty-two additional prizes for single cows and herds entered in the dairy demonstration, five for oxen, fifty-five for mules, and 1,310 for the estimated displays of pet stock, vehicles, etc.

Provision has been made for five cash prizes and two honorable mention awards in most sections, except poultry. The final arrangements of the classifications may still further enlarge the number of prizes offered.

Mr. Coburn will hereafter be officially known as the Chief of the Department of Live Stock. The Exposition has added much to its popularity in making live stock an independent department and giving it a separate chief, with a prize fund of \$250,000. This substantial recognition will do much to attract attention to the great St. Louis enterprise and secure the hearty co-operation of stockmen, fanciers and others interested. This is the first world's fair to give live stock the prestige and rank of a department with an independent chief, and the great extent and high character of the live stock exhibits already assured the World's Fair confirm the wisdom of this liberal policy.

The Louisiana Purchase Exposition will be the first world's fair to provide for the holding of public sales of pure-bred stock. Complete plans have been made for a ring for public sales apart from the main live-stock amphitheatre, so that sales may be held without interfering with the judging or other features of the exhibition. The sales will be under the auspices of the breeders' associations interested, and within the period in which the breed will be on exhibition. The following associations have already asked for assignments of sale dates: Cattle—American Shorthorn Breeders' Association, American Hereford Breeders' Association, American Aberdeen-Angus Breeders' Association, American Galloway Breeders' Association. Horses—American Percheron Horse Breeders' and Importers' Association. Swine—American Poland-China Record Company, National Duroc-Jersey Swine Breeders' Association, American Berkshire Association.

An entirely new departure decided upon as a leading feature of the live-stock awards at the Louisiana Purchase Exposition is the premier or sweepstakes championships for each breed. These are intended as grand prizes to recognize both the skill of the breeder and the enterprise of the exhibitor. It is proposed to give a premier championship award to the breeder making the best showing in each class, the showing to be determined by the largest aggregate amount awarded to animals bred by the breeders represented in that class. The premier award to the exhibitor in each class will be made on the same basis.
