An Unrivalled List.

**The Steinway Piano,
The Chickering Piano,
the Haines Piano.**

It is quite unnecessary to say anything in
praise of these instruments. The first two
on the List are acknowledged by all to be
the finest Pianos in the world. The most
celebrated artists of the day have pro-
nounced in favor of one or the other
over all others.

THE HAINES, for a medium priced
Piano, excels in finish and beauty as
well as durability, any other instrument
of its class. Its popularity is proved by
the fact that the Haines' Factory has
risen to be the Third Largest Factory
in America.
