THE REIGN OF THE STRAW HAT

It requires but little warm weather, a few fine days to bring summer upon us, and with summer comes the reign of the Straw Hat.

Those who are popularly supposed to be weatherwise have predicted a long and hot summer, and apparently the day of the Light Straw Hat will be longer than usual.

All the finest straws worn in Toronto are sold by Messrs. W. & D. Dineen, the famous hatters, of the corner of King and Yonge streets.

In anticipation of an unusually heavy demand the firm has made large importations of the most approved Straw Hats in this summer's designs, as well as a large stock of light summer felts. The best hats are at Dineen's, and the prices are very tempting for choice new styles and featherweights.
