Is Moderate Drinking Justified?
A recent issue of the "Outlook," one of the leading organs of public opinion in America, echoes the answer given by Life Insurance:
"Total Abstainers as a class ought to be given consideration, and they should protest vigorously and demand to be grouped in a class by themselves and not required to pay the Life Insurance premiums of their bibulous neighbors."
Such a popular demand has been anticipated by this Company which has for years
"given to the non-users of alcohol the reduced rates or increased dividends to which they are entitled."
