

EXCLUSIVE Tubular ADVANTAGES No. 7

DURABILITY

When you buy a Tubular you can rest assured it will last your lifetime, and then be good for another 25 years or more.

Tubulars are the cheapest Separators made

simply because they last the longest and do the most satisfactory work.

We proved this by a "Fifty Year Test" The total cost of repairs was 75c—total time of adjusting, 10 minutes—total time of oiling, 8 minutes, and at the end the machine showed practically no wear and good for another 50 years.

Let us send you Catalog No. 186; contains full account of this "Durability Test"—a postal will bring it prepaid. It proves our 28 years of experience is the best guarantee you can get in your separator purchases.
