The "Get a Receipt" Plan Benefits

Merchant

Clerk

The "Get a Receipt" Plan Benefits Me Because:

- 1. I get a receipt for all goods sold, and get all the money for these goods;
- It enables me to give quick service to customers;
- It gives me a positive control
- over my business;
 4. It tells me which is my most valuable clerk;
- prevents misunderstandings with customers and thereby increases trade.

The "Get a Receipt" Plan Benefits Me Because: 1. I get a receipt for having handled each transaction correctly;
2. It enables me to wait on more customers and establish a better selling re-

cord; 3. It proves my accuracy, honesty and ability;

- It prevents disputes with customers;
- It teaches me to place the correct value on money and to handle it accordingly.

Besides the merchant and clerk, the "Get a Receipt" plan benefits customers.

Stores using the "Get a Receipt" plan can give quick service to their customers.

The receipt issued by the National Cash Register protects customers against mistakes; furnishes proof of what servants and children spend when sent to the store; prevents mistakes on charge accounts.

This result is a satisfied trade, which is the best advertisement for your store. Every merchant can give better service to his customers, increase the efficiency of his clerks and get more net profit for himself by using the "Get a Receipt" plan.
