THE MEN'S MISSION

Last night St. Patrick's Church was again filled with men, including the Navy and Military Contingents who are doing the Mission. A very eloquent and touching sermon was preached by the venerable Father Robert on the Passion of Christ. Tonight the services will be similar to those of preceding nights and to-morrow night the mission will close with the administration of the Papal Blessing. The Fathers are very much pleased with the large attendances at the services and at the earnestness, decorum and devotion of the people.

The Neptune is loading oil at Job Bros. & Co. for New York, and should sail next week.

Capt. W. Bartlett of the Viking reports being on the Norwegian sealers fishing in the Gulf, but what success, if any, has been the ships' is not stated. The Gulf boats are now after the old seals and the prospects are good for their capturing fair trips of these. The Diana and Seal have between 4,000 and 5,000 each, the Viking between 6,000 and 7,000 and the Ranger between two and three thousand.

Another WELL KNOWN FIRM Appreciates

"DAYTON MONEYWEIGHT SCALES."

McMurdo & Co., have recently installed one of our Dayton Moneyweight Scales, in their shipping department.

No guess work at McMurdo's. Nothing but absolute accuracy will be tolerated.

"Almost enough" or "a little too much" won't do at McMurdo's.

Some Merchants get along with any old thing in the way of fixtures, because it is cheap, and think they are saving money.

McMurdo's know better, and insist on the latest and most up to date, equipment, providing of course it is accurate and durable.

A cheap Scale is the most expensive thing in your store, it costs you a little every time you use it. Instead of saving money by its use, you are throwing away money.

If you don't believe it inquire at McMurdo's.

Dayton's Moneyweight Scales are sold and guaranteed by

Nfld. Specialty Co., Agents
Renouf Building, St. John's
