J. B. Petherain Goes to Port Hope—Other Simcoe News

Simcoe, Aug. 51.—(From Our Own Correspondent).—Mr. J. B. Petheram, former manager of the Norfolk Milling Company, and associated with the company as manager dgeworths took over the business, nas purchased a waterpower milling plant in Port Hope with feed store, saw and planing mill and lumber yard connected therewith, and eaves on Monday to take over the ousiness on Tuesday morning.

Mr. Petheram has enjoyed good will and liberal patronage he public of this district and leaves Simcoe with a reputation of good usiness acumen and fair dealing To him Port Hope is not entirely new place as he operated a mill there in the eighties of the last century. The family will not leave imcoe at present.

A man of Mr. Petheram's type and ousiness would be given a splendid send-off by the Board of Trade, if we had one in Simcoe, and he would be deserving of it.

G.T.R. Passenger Train Routing Changes. Beginning Wednesday, Port Rowan of the Lake Erie to Stratford run. The morning train from Port Dover makes the connection at the Air Line and runs to Port Rowan on arrival of the 11.20 train from Hamilton, returning to Simcoe to connect with the 4.28 eastbound and working here till 7.15 p.m., when it returns to Dover with passengers from Woodstock and north. Morning trains out of Port Rowan run through to Stratford and evening trains out of Stratford reach Simcoe about 7.15 and after delivering passengers to the Dover train, back round to the Air Line and await the arrival of the Hamilton train before

proceeding to Port Rowan. There is practically no alteration in the time-table for the travelling
