BOTH RESIGNED

The trial of the Athens constabulary case in Brockville on Saturday last is thus reported by the Times:—

Geo. W. Brown, and Nelson Earl, both of Athens, County Constables, appeared in chambers before Judge McDonald to answer charges preferred by each against the other. Mr. Earl was represented by T. R. Beale, and denied having used the language attributed to him by Mr. Brown though he admitted having used some strong language. The record of conviction made by S. Boddy, J.P., was produced from the office of the clerk of the Peace and it was found that the profane language charged was not set forth in it. However as Mr. Earl had himself pleaded guilty before the magistrate the judge thought it advisable that he should resign.

In the case of Mr. Brown charges against him for drinking while in discharge of his duty in addition to which it was alleged that he had collected fees to which he was not entitled and that his moral character unfitted him to be constable. Also that he had allowed cases of profane swearing in his hearing to go unpunished. Mr. Brown admitted that he had drunk ale on one or two occasions, but a witness was called to prove that this habit of Mr. Brown was more frequent. Mr. Brown admitted having collected fees to which he was not entitled but said it was done through ignorance on the part of himself and S. Boddy, J.P. of the regulations of the tariff and that in all cases he had refunded the amounts so illegally collected. Mr. Beale proceeded to enquire of Mr. Brown as to the matter of immorality and he claimed it was an old matter which occurred before his appointment by the village council in February last. The judge sustained this objection.

The judge read a letter from Mr. M. B. Holmes, Reeve of Athens, to whom he had written suggesting his attending the investigation saying that the council had dismissed Mr. Brown and appointed a successor and that therefore the investigation was not of interest to the council. Mr. Brown stated the real ground of his dismissal was his enforcement of the law against profane swearing, an offence of which some of the councilors were guilty and that it was owing to opposition of such men that he did not press the enforcement of the law with the vigor he would otherwise have done.

The judge suggested to Mr. Brown the advisability of his resigning and intimated that if he did not he would feel it his duty to remove him. Immediately after the investigation both Mr. Earl and Mr. Brown handed in their resignations to M. M. Brown, County Crown Attorney, and they are therefore, no longer county constables.

## GLEN BUELL

Notice—A memorial service will be held at Glen Buell church at 10.30 on Sunday morning next, 21st, by Rev. James S. Evans of Athens, Tenn., on the death of John Thompson and Frances Thompson, his wife, who were barbarously murdered on 1st of March, 1853, and buried without a funeral sermon.

By order of Committee.

Quite a few of our people went to North Augusta to attend Bro Taylor's evangelistic meeting. They report a large attendance and best of good order.

We have been credibly informed that one of G. A. Gilroy's Holsteins, in two-year-old form, gave 51½ lbs. milk in one day, regular milking, viz.: three times per day. This is said to be the best one-day record ever made on the farm by a two-year-old, and many good records have been made. Of course, this is not "official," as he is now getting her in form for an official test of seven days net time. We think that dry weather and short grass has not hurt her much.

The B. & W. excursion train on July 12th picked up Honest John's Plymouth Rock rooster on return trip.

## FRIENDSHIP

## WHAT DOES IT COST YOU

A few days ago two farmers off the B. & W. were seen comparing each others suits.—The taller man said, "You were beat out of \$3.00. Why don't you try Semi-Ready?" The other replied that he was a personal friend of this other merchant and did not like to go past him.

His friendship cost him \$3.00.—You say he was an easy mark, and so he was and yet the bush is full of such people.

Reader, if you buy your clothes at any old price because of friendship, you pay too much—the price is too high for what you get.

## Price and Quality are Our Best Salesmen

Style and fit we throw in gratis. Sir, will you hold on to your friendship, but purchase your next suit from the man that offers you the best for your money? Will you? Will you make up your mind right now so that when you purchase again you will give your money where it belongs, not to the man that can smile the broadest (friendship), but to the man that puts up the best bid for your custom. Do it now.—If not, why not?
