

TONIC TREATMENT FOR INDIGESTION

Remedies That Digest the Food Will Not Cure the Trouble—The Stomach Must be Fitted to do Nature's Work.

The tonic treatment for indigestion, dyspepsia, catarrh of the stomach and gastritis is having remarkable success in curing obstinate cases and deserves attention from every sufferer.

Its principal is that remedies for indigestion that digest the food for the stomach give relief for only a short time. Ultimately they unfit the stomach to do its own proper work, because they make its already weak powers still weaker by disuse, while the remedy that strengthens the stomach makes it capable of digesting the food for itself, and this benefit is lasting. A remedy that is not only a tonic for the stomach, but for the blood and nerves as well, invigorates the entire system and makes recovery from the painful, weakening effects of indigestion rapid and thorough. Every sufferer from indigestion will find in Dr. Williams' Pink Pills just the tonic needed, as they enrich the blood, tone the stomach and thus enable it to do the work nature intended it should do. This has been proved in thousands of cases, and it is worth the while of every sufferer from stomach trouble to give Dr. Williams' Pink Pills a fair trial.

Mr. Edward Chatterton, Campbellton, N. B., says: "I have been a great sufferer from indigestion and stomach trouble and although I had treatment from several doctors, I did not find a cure until I began using Dr. Williams' Pink Pills. I can hardly describe how much I suffered at times. Every meal brought with it more or less agony, and I seemed to have a complete distaste for food. I had almost begun to think my case incurable when I came across a pamphlet advertising Dr. Williams' Pink Pills, and I decided to give them a trial. I am very thankful that I did so, for I had not been taking the Pills long before I found them helping me, and in six weeks every symptom of the trouble had vanished. I can now eat heartily almost any kind of food, and no longer experience pain and discomfort after eating."

It is because Dr. Williams' Pink Pills make new, rich blood that they cure such troubles as indigestion, rheumatism, neuralgia, headaches and backaches. St. Vitus dance, and other forms of nerve troubles. They cure the irregularities of girlhood and womanhood, and bring ease, comfort and health to sufferers. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

PERSONAL PARAGRAPHS.

Interesting Gossip About Some Prominent People.

Among the collecting fads of monarchs the most curious are those of the aged Emperor of Austria, who has boxes of menus and bills of fare of the various banquets which he has attended and given, and the King of Greece, who has a collection of railway tickets while in the museum of ivory articles which forms the Queen of Norway's hobby-show are some splendid seals, alligators and lions' teeth.

Miss Eadith Campbell Walker, who has just given \$1,000 to the Australian Dreadnought fund, is supposed to be the richest woman in the Commonwealth. She is of Scottish parentage. Her father emigrated from his native Leith, and acquired extensive lands in the early years of Australian colonization. From these lands, largely through the operation of unearned increment, Miss Walker derives a vast annual income. She has been a munificent benefactor of the Sydney hospitals and charitable institutions, and she serves on the committees of some of them. She lives in a splendid mansion at Concord, a suburb of Sydney. Why she spells Eadith with an "a" is known only to herself.

The Czar of Russia is a hard-working monarch. He rises at half-past eight, and spends half an hour on his toilet, after which he sits down at his writing-table to discharge important matters of State. From ten till eleven o'clock there

is a pause, during which the Czar partakes of a light lunch, then working on again till one, signing documents, studying Bills, and reading reports of Ministers and Governors. His Majesty drinks, meanwhile, one glass of tea after another, on rare occasions taking a glass of wine and a caviare sandwich. From one till four the Czar works again, and is devoted to his family, and then continues his labors till seven, the hour for the principal meal of the day. The rest of the evening till nine-thirty is again devoted to his family, after which he retires to his study, and punctually at midnight goes to bed.

Mr. Thomas A. Edison, the great inventor, has for many years been afflicted with deafness, but, curiously enough, he regards this as a blessing. Some years ago he was told that an operation might cure him, and a friend of his expressed a hope that he would submit to having it done. "What?" exclaimed Edison, "and give up the great advantage I have over the rest of you fellows. Why, I need my deafness in my business, for, you see, my business is thinking, and no matter what the rest of you are doing, or how much noise you are making, it doesn't bother me, and I am able to concentrate my mind fully on the subject in hand without interruption. Give up an advantage like that? Not much!"

Mr. Joseph H. Choate, the famous American lawyer, has the reputation of being one of the wittiest men in the States; though, on occasion, his humor is spiced with sarcasm. Some time ago he took great interest in a certain young man, the son of a personal friend, and it was Mr. Choate's wish that this young fellow should go in for the law. But the youngster had an idea that fate had intended him to be a great artist, and one day he asked Mr. Choate to look at some of his pictures. "I don't wish to go in for the law," he said; "for you see, I am wedded to my art." "H'm," replied Mr. Choate, glancing critically at the paintings, "but, my dear young friend, you need not let that discourage you—you have ample grounds for a divorce!"

DAINGEROUS TO TAMPER WITH

The habit of taking bicarbonate of soda for digestive troubles may give relief if carefully indulged in, but is dangerous to tamper with. A half teaspoonful of baking soda to a glass of water will often cure acute indigestion or settle a disordered stomach, but one should not get into the habit of taking it after each meal, as is often done. Even more injurious is the practice of munching dry soda. This, if not checked, becomes as much of a chain as opium or cocaine. Carried to excess it eats out the lining of the stomach and eventually makes the bones brittle.

A MOTHER'S CHIEF CARE IS HER BABY'S WELFARE

The great desire of every mother is that her little ones shall be bright, good-natured and healthy. Every mother can keep her little ones in this condition if she will give them an occasional dose of Baby's Own Tablets. These Tablets cure colic, indigestion, constipation, diarrhoea, worms, teething troubles, and other minor ailments. Guaranteed to contain no opiate or poisonous "soothing stuff." Mrs. H. Irvine, North Portal, Sask., says: "I have used Baby's Own Tablets when our baby was teething, and for other little troubles, and have found them all you claim for them. I always keep them in the house." Sold at 25 cents a box by all dealers, or by mail from The Dr. Williams' Medicine Co., Brockville, Ont.

Fishermen Regard Them as a Boon to Mankind—Mr. Frank Banfield Tells How They Cured His Backache.

Garnish, Fortune Bay, Nfld., Nov. 8. (Special).—Among the fishermen here, who through exposure to wet and cold are subject to those pains and aches which come from diseased kidneys, Dodd's Kidney Pills are looked upon as a positive boon to mankind. They are never tired of telling how their Backaches and their Rheumatism vanished before the great Kidney remedy.

Among many others Mr. Frank Banfield, after years of suffering, has found relief in Dodd's Kidney Pills, and here is what he is telling his friends:—
"I find Dodd's Kidney Pills the best medicine for Backache I have ever used. I only used two boxes and they cured me of Backache I had for five years. It started through a strain. My father's back also bothered him, and he got some relief from one pill I gave him. They were too precious to give him more. All persons suffering from Backache should use Dodd's Kidney Pills."
Why do Dodd's Kidney Pills cure Backache? Simply because Backache is Kidney ache, and Dodd's Kidney Pills positively cure all Kidney aches and ills. This has been proved in thousands of cases in Canada. If you haven't used them yourself ask your neighbors.

NATURAL HISTORY.

Teacher was telling her class little stories in natural history, and she asked if any one could tell her what a ground hog was. Up went a little hand, waving frantically.

RAISE CALVES WITHOUT MILK

Letters, or postals addressed to "The Steele, Briggs Seed Co., Ltd., Toronto, Ont.," will procure a valuable pamphlet for the farmer, entitled "How to Raise Calves Cheaply and Successfully Without Milk," and every farmer should have one. It tells how to raise three calves at the cost of one, avoid scours and keep calves healthy and fat. Tells how to veal calves at about half the usual cost, how to save the milk and, in fact, how to make more money out of calves than you ever thought possible.

A cough is often the forerunner of serious pulmonary afflictions, yet there is a simple cure within the reach of all in Bickel's Anti-Consumptive Syrup, an old-time and wisely recognized remedy, which, if resorted to at the inception of a cold, will invariably give relief, and by overcoming the trouble, guard the system from any serious consequences. Of the culprits haled before a police magistrate there was one—an Irishman—who had caused no end of trouble to the police. The magistrate regarded the prisoner with mingled curiosity and indignation. "So you're the man that gave the officers so much trouble?" his honor asked. "I understand that it took seven policemen to lock you up."
"Yes, yer honor," responded the Celt, with a broad grin; "but it would take only one to let me out."

BABY FOOD.

Make a thin paste with two table-spoonfuls of flour and boil it in a quart of water for fifteen minutes (pour paste in water while it is boiling). Then skim half pint of cream off of a quart of milk. To this cream add one and one-half pints of the above gruel and two table-spoonfuls of granulated sugar. If milk sugar can be obtained substitute four table-spoonfuls of it in the place of the granulated. This amount is for twenty-four hours, one-quarter of a pint to be given every two and one-half hours as a feeding.

If the baby won't retain the milk, feed it the plain gruel mixed with the sugar.

This is an old nurse's recipe and has stood the test of time, bringing little ones back to strength and health when all other foods have failed.

It Retains Old and Makes New Friends.—Time was when Dr. Thomas' Electric Oil had but a small field of distribution, but now its territory is widespread. Those who first recognized its curative qualities still value it as a specific, and while it retains its old friends it is ever making new. It is certain that whoever once uses it will not be without it.

It is a Liver Pill.—Many of the ailments that man has to contend with have their origin in a disordered liver, which is a delicate organ, peculiarly susceptible to the disturbances that come from irregular habits or lack of care in eating and drinking. This accounts for the great many liver regulators now pressed on the attention of sufferers. Of these there is none superior to Parmelee's Vegetable Pills. Their operation though gentle is effective, and the most delicate can use them.

THE DEAREST NAME.

When he was one-and-twenty,
He saw a maiden's face,
And when he learnt she loved him,
Oh, life was filled with grace.
He watched her tender blushes,
He saw her sweet eyes fall;
"Oh love," he murmured, "sweet heart
Is the dearest name of all!"

When, later on, she murmured
In church, the old, old vow,
His ring upon her finger,
The wreath upon her brow;
In all the glow of manhood,
And love's new perfect thrall,
"I think that wife," he whispers,
"Is the dearest name of all!"

But now in Life's sweet evening,
He sees a picture fair,
That brings him back his childhood,
And all the days that were.
He sees their children's faces,
He hears their voices call;
And oh, he knows that "Mother"
Is the dearest name of all!

Magistrate and School Commissioner Healed by Zam-Buk.

Zam-Buk by its healing power has earned the praise of men and women in the highest stations of life. One of the latest prominent gentlemen to speak highly in Zam-Buk's favor is Mr. C. E. Sanford, of Weston, King's Co., N. S. Mr. Sanford is a Justice of the Peace for the county, and a member of the Board of School Commissioners. He is also deacon of the Baptist Church in Berwick. I had taken solution of arsenic, had applied various ointments, and tried all sorts of things to obtain a cure, but in vain. Zam-Buk, unlike all else I tried, proved highly satisfactory, and cured the ailment."

"I have also used Zam-Buk for itching piles, and it has cured them completely also. I take comfort in helping my brother men, and if the publication of my experience of Zam-Buk will lead other sufferers to try it, I should be glad."

Rubbed well on to the chest in cases of cold it relieves the tightness and aching. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, for price, 3 boxes for \$1.25.

A Cure for Fever and Ague.—Disturbance of the stomach and liver always precede attacks of fever and ague, showing derangement of the digestive organs and deterioration in the quality of the blood. In these ailments Parmelee's Vegetable Pills have been found most effective, abating the fever and subduing the ague in a few days. There are many who are subject to these distressing disturbances and to these there is no better preparation procurable as a means of relief.
