"Pa, what are 'puts and calls?" "Why, a man puts his money in a broker's hands, and when he calls for it, it is all gone."

"Yes. Miss Frost, I always wear gloves at night; they make one's hands so soft," Miss Frest... "Ah! and do you sleep with your hat on?' -There is a man who knows how

to play on two cornets at once. The neighbors say they don't object to his knowing how, but he had better not try to do it.

"I am troubled with cold feet," said Fenderson. "I always sleep in my stockings in winter." Glancing at Fenderson's number thirteen's, Fogg remarked: "I should think you might do it easily."

—A famous surgeon advised one of his patients to underge an opera-"Is it very severe?" asks the ... "Not for the patient," tion. "patient. says the doctor; "we put him to sleep; but very hard on the opera-We suffer terribly from anxiety. Just think, it only succeeds once in a hundred times."

-Lillian-What a queer title for a book, ma!

Ma-What title? Lillian-"Not Like Other Girls."

other girls?" -I don't know, unless she goes into the kitchen and helps her mother instead of staying in the

parlor to read novels.

By Universal Accord. AVER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and are the product of long, laborious, and successful chemical investigation, and their extensive use, by physicians in their practice, and by all civilized na-tions, proves them the best and most effectual purgative Pill that medical effectual purgative Fill that medical science can devise. Being purely vegetable no harm can arise from their use, and being sugar-coated, they are pleasant to take. In intrinsic value and curative powers no other Pills can be compared with them; and every person, knowing their virtues, will employ them, when needed. They know the vertex in perfect order, and system in perfect order, an maintain in healthy action the whol machinery of life. Mild, searching an effectual, they are especially to the needs of the digestive a derangements of which they and cure, if timely taken.

quite breathless. "Decie, my dear, you're an angel! Just bring that flower to my designing-room to-morrow morning, and try what you and my designer can do. And look here, child, I'm to have a thousand pounds down for the patent of that lace, and if your pattern answers you shall have a hundred of it. And what's more, lots more work of the same sort, better than clipping or drawing, ch, Decie?" And with a joyful heart Decima sped home.

Yet she almost hesitated when she unlocked the little cedar box, which was the coffin of her dead past, and laid the small silvery blossom on here soft palm. Would he not have called this a profanation as complete as that of the poor Swiss pebble venders? Yet, had he not been guilty of a greater vulgarization and descoration when he won her love only to cast it aside like a withered weed?

And all the long hours that she sat the the designation and descration when he won her love only to cast it aside like a withered weed?

Madge's face brightened. She was lefter, descriptive of a recent journey.

well."
Madge's face brightened. She was And all the long hours that she sat by the designer's side, patiently guiding his adaptation of the bewildering was so odd, and talked of things she

the smoke-blackened table, there seemed to ring in her ears the tones of a never-forgotten voice: "Hideous profanation! I cannot bear the edelweiss to be profaned!" And, as if in answer to a real accusation, her lips would move in the voiceless murmur: "For my father's sake."

Slowly, slowly the design arms. mur: "For my father's sake."

Slowly, slowly the design grew into shape, exercising a strange fascination over Decima, as she lingered over the border which was to simulation. Slater let me have it out of his wholesale place as a great favor —Silas P. Slater, you know, in Pearl

Tenders for Darimouth Branch.

SEALED TENDERS addressed to the undersigned and endorsed "Tender for Dartmouth Branch," will be received until Thursday, the 5th of June, 1884, The work for which tenders are invited extends from the North side of the Narrows, Halitax Harbor, through the town of Dartmouth to Woodside, a distance of about five (5) miles.

Plan, Profile and Specification may be seen at the office of the Chief Engineer, Moneton, and also at the Station Master's office, North Street Station, Halifax, where forms of lender may be obtained.
